26 method. Each service purchased is a separate item for purposes of
27 calculating a fee under this subsection.

1 (c) For purposes of Subsection (a), a retail transaction
2 that is effected in person by a consumer at a business location of
3 the seller shall be treated as occurring in this state if that
4 business location is in this state. Any other retail transaction,

11 except that the seller shall be liable to remit all prepaid wireless
12 service fees that the seller collects from consumers as provided by
13 Section 771.084, including all such charges that the seller is

24 surcharge, or other charge that is imposed by this state, any
25 political subdivision of this state, or any intergovernmental
26 agency.

27 (g) A seller may deduct and retain one percent of prepaid

2 its costs in administering this fee.

3 Sec. 771.083. EXCEPTIONS TO APPLICABILITY OF CHAPTER AND
4 LIMITATIONS OF LIABILITY. (a) The comptroller shall establish
5 procedures for a seller to document that a sale is not a retail
6 transaction under this subchapter. The procedures shall
7 substantially conform to procedures for documenting a sale for
8 resale under Chapter 151, Tax Code.

9 (b) A provider or seller of prepaid wireless
10 telecommunications service is not liable for damages to any person
11 resulting from or incurred in connection with the provision of, or
12 the failure to provide, 9-1-1 emergency service, or for identifying
13 or failing to identify the telephone number, address, location, or
14 name associated with any person or device that is accessing or
15 attempting to access 9-1-1 emergency service, unless the act or
16 omission proximately causing the claim, damage, or loss constitutes
17 gross negligence, recklessness, or intentional misconduct.

18 (c) A provider or seller of prepaid wireless
19 telecommunications service is not liable for damages to any person
20 resulting from or incurred in connection with the provision of any
21 lawful assistance to any investigative or law enforcement officer
22 of the United States, this or any other state, or any political
23 subdivision of this or any other state in connection with any lawful
24 investigation or other law enforcement activity by such
25 investigative or law enforcement officer unless the act or omission
26 proximately causing the claim, damage, or loss constitutes gross
27 negligence, recklessness, or intentional misconduct.

1 (d) Information that a provider or seller of prepaid
2 wireless telecommunications service is required to furnish to a
3 governmental entity in providing or selling 9-1-1 emergency service
4 is confidential and exempt from disclosure under Chapter 552,
5 Government Code. A provider or seller of prepaid wireless
6 telecommunications service is not liable to any person who uses a
7 9-1-1 emergency service created under this chapter for the release
8 of information furnished by the provider or seller of prepaid
9 wireless telecommunications service in providing or selling 9-1-1
10 emergency service. Information that is confidential under this
11 section may be released only for budgetary calculation purposes and
12 only in aggregate form so that no provider-specific or
13 seller-specific information may be extrapolated.

14 (e) In addition to the exemption from liability provided by
15 Subsections (b), (c), and (d), each provider and seller of prepaid
16 wireless telecommunications service is entitled to any other
17 exemption from liability under this chapter, if any, that is
18 provided to wireless service providers.

19 Sec. 771.084. APPLICATION OF PROVISIONS OF TAX CODE.
20 Except as otherwise provided by this subchapter:

21 (1) the fee imposed by this subchapter is
22 administered, imposed, collected, and enforced in the same manner
23 as a tax under Chapter 151, Tax Code, is administered, imposed,
24 collected, and enforced; and

25 (2) the provisions applicable to the sales tax imposed
26 under Subchapter C, Chapter 151, Tax Code, apply to the fee imposed
27 by this subchapter.

1 Sec. 771.085. ALLOCATION OF FEE. (a) After deducting an
2 amount not greater than 10 percent of collected charges, as
3 determined under Subsection (c), the comptroller shall deposit the
4 money from the fees imposed by this subchapter, other than
5 penalties and interest, to the credit of the 9-1-1 services fee
6 account in the general revenue fund. Until deposited to the credit
7 of the 9-1-1 services fee account as required by Subsection (b),
8 money the comptroller collects under this subchapter remains in a
9 trust fund with the state treasury.

10 (b) Money collected under this subchapter may be used only
11 for services related to 9-1-1 and emergency services, including
12 automatic number identification and automatic location information
13 services. Not later than the 15th day after the last day of the
14 month in which the money is collected, the commission shall
15 distribute to each emergency communication district that does not
16 participate in the state system a portion of the money that bears
17 the same proportion to the total amount collected that the
18 population in the area served by the district bears to the
19 population of the state. The remaining money collected under this
20 subchapter shall be deposited to the 9-1-1 services fee account in
21 the general revenue fund.

22 (c) The commission shall annually determine by rule the
23 percentage of collected charges, not to exceed 10 percent, that
24 under Subsection (a) shall be deducted by the comptroller and
25 allocated as if collected under Section 771.072.

26 Sec. 771.086. EXCLUSIVITY AND APPLICABILITY OF PREPAID
27 WIRELESS 9-1-1 EMERGENCY SERVICES FEE. (a) The prepaid wireless

1 emergency services fee shall be the only 9-1-1 funding obligation
2 imposed with respect to prepaid wireless telecommunications
3 service in this state, and no tax, fee, surcharge, or other charge
4 shall be imposed by this state, any political subdivision of this
5 state, or any intergovernmental agency, for 9-1-1 funding purposes,
6 on any provider, seller, or consumer with respect to the sale,
7 purchase, use, or provision of prepaid wireless telecommunications
8 service.

9 (b) The emergency service fee for wireless
10 telecommunications connections under Section 771.0711 applies to
11 wireless telecommunications service that is not subject to the
12 prepaid wireless 9-1-1 emergency services fee under this
13 subchapter.

14 SECTION 10. This Act takes effect January 1, 2010.
