18            (4) require the person to submit to the care,  
19 counseling, or treatment of a health care practitioner designated  
20 by the board;

21            (5) suspend, limit, or restrict the person's license,  
22 including:

23            (A) limiting the practice of the person to or  
24 excluding from the person's practice, one or more of the specified  
25 activities of genetic counseling; or

26            (B) stipulating periodic board review;

27            (6) assess an administrative penalty against the

1 person as provided by Section 506.351; or

2 (7) administer a public reprimand.

3 (b) If the board stays enforcement of an order and places a  
4 person on probation, the board retains the right to vacate the  
5 probationary stay and enforce the original order for noncompliance  
6 with the terms of probation or impose any other remedial measure or  
7 sanction authorized by this section.

8 (c) The board may restore or reissue a license or remove any  
9 disciplinary or corrective measure that the board has imposed.

10 Sec. 506.302. CONDUCT RELATED TO MISREPRESENTATION OR  
11 FRAUD. The board may take action under Section 506.301 against an  
12 applicant or a license holder who:

13 (1) fraudulently or deceptively obtains or attempts to  
14 obtain a license;

15 (2) fraudulently or deceptively uses a license;

16 (3) falsely represents that the person is a physician,  
17 nurse, physician assistant, or other licensed health care provider;

18 (4) acts in an unprofessional or dishonorable manner  
19 that is likely to deceive, defraud, or injure the public;

20 (5) fraudulently alters any license;

21 (6) uses any genetic counselor license that has been  
22 fraudulently purchased, issued, or counterfeited or that has been  
23 materially altered;

24 (7) directly or indirectly aids or abets the practice  
25 of genetic counseling by any person not licensed by the board to  
26 practice as a genetic counselor; or

27 (8) unlawfully advertises in a false, misleading, or

1 deceptive manner as defined in Section 101.201.

2 Sec. 506.303. CONDUCT RELATED TO VIOLATION OF LAW. (a) The  
3 board may take action under Section 506.301 against an applicant or  
4 license holder who:

5 (1) violates this chapter or a rule adopted under this  
6 chapter;

7 (2) is convicted of a felony, placed on deferred  
8 adjudication, or placed in a pretrial diversion program; or

9 (3) violates state law if the violation is connected  
10 with the practice of genetic counseling.

11 (b) A complaint, indictment, or conviction of a law  
12 violation is not necessary for the board to act under Subsection  
13 (a)(3). Proof of the commission of the act while in practice as a  
14 genetic counselor or under the guise of a genetic counselor is  
15 sufficient for action by the board.

16 Sec. 506.304. CONDUCT INDICATING LACK OF FITNESS. (a) The  
17 board may take action under Section 506.301 against an applicant or  
18 license holder who:

19 (1) habitually uses drugs or intoxicating liquors to  
20 the extent that, in the board's opinion, the person cannot safely  
21 act as a genetic counselor;

22 (2) has been adjudicated as mentally incompetent;

23 (3) has a mental or physical condition that renders  
24 the person unable to safely act as a genetic counselor;

25 (4) has committed an act of moral turpitude;

26 (5) has failed to practice as a genetic counselor in an  
27 acceptable manner consistent with public health and welfare;

1           (6) has had the person's license or other  
2 authorization to practice as a genetic counselor suspended,  
3 revoked, or restricted;

4           (7) has had other disciplinary action taken by another  
5 state regarding the practice of genetic counseling;

6           (8) was removed or suspended or has had disciplinary  
7 action taken by the person's peers in any professional association  
8 or society, if that action, in the opinion of the board, was based  
9 on unprofessional conduct or professional incompetence that was  
10 likely to harm the public;

11           (9) has repeated or recurring meritorious  
12 professional liability claims that, in the board's opinion, are  
13 evidence of professional incompetence likely to harm the public; or

14           (10) sexually abuses or exploits another person during  
15 the license holder's practice as a genetic counselor.

16           (b) An action described by Subsection (a)(8) does not  
17 constitute state action on the part of the association or society.

18           Sec. 506.305. SUBPOENA. (a) The executive director, the  
19 director's designee, or the secretary-treasurer of the board may  
20 issue a subpoena or subpoena duces tecum:

21           (1) to conduct an investigation or a contested case  
22 proceeding related to:

23                   (A) alleged misconduct by a genetic counselor;

24                   (B) an alleged violation of this chapter or  
25 another law related to the practice of a genetic counselor; or

26                   (C) the practice of genetic counseling under this  
27 chapter;

1           (2) for purposes of determining whether to issue,  
2 suspend, restrict, or revoke a license under this chapter; or

3           (3) for purposes of determining whether to issue or  
4 deny a license under this chapter.

5           (b) Failure to timely comply with a subpoena issued under  
6 this section is a ground for:

7           (1) disciplinary action by the board or another  
8 licensing or regulatory agency with jurisdiction over the person  
9 subject to the subpoena; and

10           (2) denial of a license or license application.

11           Sec. 506.306. PROTECTION OF PATIENT IDENTITY. In a  
12 disciplinary investigation or proceeding conducted under this  
13 chapter, the board shall protect the identity of each patient whose  
14 medical records are examined and used in a public proceeding unless  
15 the patient:

16           (1) testifies in a public proceeding; or

17           (2) submits to the board a written release in regard to  
18 the patient's record or identity.

19           Sec. 506.307. RULES FOR DISCIPLINARY PROCEEDINGS. Rules of  
20 practice adopted under this chapter by the board under Section  
21 2001.004, Government Code, applicable to the proceedings for a  
22 disciplinary action may not conflict with rules adopted by the  
23 State Office of Administrative Hearings.

24           Sec. 506.308. REQUIRED SUSPENSION OF INCARCERATED GENETIC  
25 COUNSELOR. Regardless of the offense, the board shall suspend the  
26 license of a genetic counselor serving a prison term in a state or  
27 federal penitentiary during the term of the incarceration.

1       Sec. 506.309. TEMPORARY SUSPENSION. (a) The president of  
2 the board, with board approval, shall appoint a three-member  
3 disciplinary panel consisting of board members to determine whether  
4 a genetic counselor's license should be temporarily suspended.

5       (b) If the disciplinary panel determines from the evidence  
6 or information presented to the panel that a person licensed to  
7 practice as a genetic counselor would, by continuing in practice,  
8 constitute a threat to the public welfare, the disciplinary panel  
9 shall temporarily suspend the license of that person.

10       (c) A license may be suspended under this section without  
11 notice or hearing on the complaint if:

12               (1) institution of proceedings for a hearing before  
13 the board is initiated simultaneously with the temporary  
14 suspension; and

15               (2) a hearing is held under Chapter 2001, Government  
16 Code, and this chapter as soon as possible.

17       (d) Notwithstanding Chapter 551, Government Code, the  
18 disciplinary panel may hold a meeting by telephone conference call  
19 if immediate action is required and convening the disciplinary  
20 panel at one location is inconvenient for any member of the panel.

21       Sec. 506.310. INFORMAL PROCEEDINGS. (a) The board by rule  
22 shall adopt procedures under this chapter governing:

23               (1) informal disposition of a contested case under  
24 Section 2001.056, Government Code; and

25               (2) informal proceedings held in compliance with  
26 Section 2001.054, Government Code.

27       (b) Rules adopted under this section must require that:

1           (1) an informal meeting in compliance with Section  
2 2001.054, Government Code, be scheduled not later than the 180th  
3 day after the date the board's official investigation of the  
4 complaint is commenced, unless good cause is shown by the board for  
5 scheduling the informal meeting after that date;

6           (2) the board gives notice to the license holder of the  
7 time and place of the meeting not later than the 30th day before the  
8 date the meeting is held;

9           (3) the complainant and the license holder are  
10 provided an opportunity to be heard;

11           (4) at least one of the board members or district  
12 review committee members participating in the informal meeting as a  
13 member of the disciplinary panel be a member who represents the  
14 public;

15           (5) the board's legal counsel or a representative of  
16 the attorney general be present to advise the board or the board's  
17 staff; and

18           (6) a member of the board's staff be at the meeting to  
19 present to the panel the facts that the staff reasonably believes  
20 could prove by competent evidence or qualified witnesses at a  
21 hearing.

22           (c) An affected genetic counselor is entitled, orally or in  
23 writing, to:

24           (1) reply to the staff's presentation; and

25           (2) present the facts the genetic counselor reasonably  
26 believes the genetic counselor could prove by competent evidence or  
27 qualified witnesses at a hearing.

1       (d) After ample time is given for the presentations, the  
2 board panel shall recommend that the investigation be closed or  
3 shall attempt to mediate the disputed matters and make a  
4 recommendation regarding the disposition of the case in the absence  
5 of a hearing under applicable law concerning contested cases.

6       (e) If the license holder has previously been the subject of  
7 disciplinary action by the board, the board shall schedule the  
8 informal meeting as soon as practicable but not later than the  
9 deadline prescribed by Subsection (b)(1).

10       Sec. 506.311. ROLES AND RESPONSIBILITIES OF PARTICIPANT IN  
11 INFORMAL PROCEEDINGS. (a) A board or district review committee  
12 member that serves as a panelist at an informal meeting under  
13 Section 506.310 shall make recommendations for the disposition of a  
14 complaint or allegation. The member may request the assistance of a  
15 board employee at any time.

16       (b) Board employees shall present a summary of the  
17 allegations against the affected genetic counselor and offer the  
18 facts pertaining to the allegation that the employees reasonably  
19 believe may be proven by competent evidence at a formal hearing.

20       (c) A board attorney shall act as counsel to the panel and,  
21 notwithstanding Subsection (e), shall be present during the  
22 informal meeting and the panel's deliberation to advise the panel  
23 on legal issues that arise during the proceeding. The attorney may  
24 ask questions of participants in the informal meeting to clarify  
25 any statement made by the participant.

26       (d) The attorney shall provide to the panel a historical  
27 perspective on comparable cases that have appeared before the

1 board, keep the proceedings focused on the case being discussed,  
2 and ensure that the board's employees and the affected genetic  
3 counselor have an opportunity to present information related to the  
4 case.

5 (e) During the panel's deliberations, the attorney may be  
6 present only to advise the panel on legal issues and to provide  
7 information on comparable cases that have appeared before the  
8 board.

10 SUBCHAPTER G. ADMINISTRATIVE PENALTY

11 Sec. 506.351. ADMINISTRATIVE PENALTY. (a) The board by  
12 order may impose an administrative penalty against a person  
13 licensed under this chapter who violates this chapter or a rule or  
14 order adopted under this chapter.

15 (b) The penalty may be in an amount not to exceed \$5,000.  
16 Each day a violation continues or occurs is a separate violation for  
17 purposes of imposing a penalty.

18 (c) The board shall base the amount of the penalty on:

19 (1) the severity of patient harm;

20 (2) the severity of economic harm to any person;

21 (3) the increased potential of harm to the public;

22 (4) any attempted concealment of misconduct;

23 (5) the motive for the violation;

24 (6) any prior misconduct of a similar or related  
25 nature;

26 (7) the license holder's disciplinary history;

27 (8) any prior written warning or written admonishments

1 from any government agency or official regarding statutes or rules  
2 relating to the misconduct;

3 (9) whether the violation is of a board order;

4 (10) the person's failure to implement remedial  
5 measures to correct or mitigate harm from the misconduct;

6 (11) the person's lack of rehabilitative potential or  
7 likelihood of future misconduct of a similar nature;

8 (12) any relevant circumstances increasing the  
9 seriousness of the misconduct; or

10 (13) any other matter that justice may require.

11 Sec. 506.352. NOTICE OF VIOLATION AND PENALTY. If the board  
12 by order determines that a violation has occurred and imposes an  
13 administrative penalty, the board shall give notice to the person  
14 of the order. The notice must include a statement of the person's  
15 right to judicial review of the order.

16 Sec. 506.353. OPTIONS FOLLOWING DECISION: PAY OR APPEAL.

17 (a) Not later than the 30th day after the date the board's order  
18 imposing the administrative penalty is final, the person shall:

19 (1) pay the penalty;

20 (2) pay the penalty and file a petition for judicial  
21 review contesting the occurrence of the violation, the amount of  
22 the penalty, or both; or

23 (3) without paying the penalty, file a petition for  
24 judicial review contesting the occurrence of the violation, the  
25 amount of the penalty, or both.

26 (b) Within the 30-day period, a person who acts under  
27 Subsection (a)(3) may:

1           (1) stay the enforcement of the penalty by:

2                   (A) paying the penalty to the court for placement  
3 in an escrow account; or

4                   (B) giving the court a supersedeas bond approved  
5 by the court for the amount of the penalty and that is effective  
6 until all judicial review of the board's order is final; or

7           (2) request the court to stay enforcement of the  
8 penalty by:

9                   (A) filing with the court an affidavit of the  
10 person stating that the person is financially unable to pay the  
11 penalty and is financially unable to give the supersedeas bond; and

12                   (B) giving a copy of the affidavit to the  
13 executive director by certified mail.

14           (c) If the executive director receives a copy of an  
15 affidavit under Subsection (b)(2), the executive director may file  
16 with the court a contest to the affidavit not later than the fifth  
17 day after the date the copy is received.

18           (d) The court shall hold a hearing on the facts alleged in  
19 the affidavit as soon as practicable and shall stay the enforcement  
20 of the penalty on finding that the alleged facts are true. The  
21 person who files an affidavit has the burden of proving that the  
22 person is financially unable to pay the penalty and to give a  
23 supersedeas bond.

24           Sec. 506.354. COLLECTION OF PENALTY. If the person does not  
25 pay the administrative penalty and the enforcement of the penalty  
26 is not stayed, the executive director may refer the matter to the  
27 attorney general for collection of the penalty.

1       Sec. 506.355. DETERMINATION BY COURT. (a) If on appeal the  
2 court sustains the determination that a violation occurred, the  
3 court may uphold or reduce the amount of the administrative penalty  
4 and order the person to pay the full or reduced penalty.

5       (b) If the court does not sustain the determination that a  
6 violation occurred, the court shall order that a penalty is not  
7 owed.

8       Sec. 506.356. REMITTANCE OF PENALTY AND INTEREST. (a) If  
9 after judicial review the administrative penalty is reduced or not  
10 imposed by the court, the court shall, after the judgment becomes  
11 final:

12           (1) order that the appropriate amount, plus accrued  
13 interest, be remitted to the person if the person paid the penalty;  
14 or

15           (2) order the release of the bond in full if the  
16 penalty is not imposed or order the release of the bond after the  
17 person pays the penalty imposed if the person posted a supersedeas  
18 bond.

19       (b) The interest paid under Subsection (a)(1) is a rate  
20 charged on loans to depository institutions by the New York Federal  
21 Reserve Bank. The interest is paid for the period beginning on the  
22 date the penalty is paid and ending on the date the penalty is  
23 remitted.
