CHAPTER 8856. NORTH TEXAS GROUNDWATER CONSERVATION DISTRICT
SUBCHAPTER A. GENERAL PROVISIONS
Sec. 8856.001. DEFINITIONS. In this chapter:

commissioners court shall adopt a resolution reflecting the result
of that vote and provide a copy of the resolution to the temporary

Sec. 8856.004. CONFIRMATION REQUIRED. (a) The creation of
the district is confirmed only if the commissioners courts of two or

the commissioners court of a county does not submit a resolution
confirming the county's inclusion in the district to the temporary
board, that county is not included in the district. The temporary

SUBCHAPTER A-1. TEMPORARY PROVISIONS

Sec. 8856.021. APPOINTMENT OF TEMPORARY DIRECTORS.

(a) The district is initially governed by a board of nine temporary directors appointed as provided by Sections 8856.051(b) and (d).

chapter. If after the 90th day fewer than nine temporary directors
have been appointed, each unfilled position shall be considered a
vacancy and filled in accordance with Subsection (c).

(c) If a vacancy occurs on the temporary board, the
remaining temporary directors shall appoint a person to fill the
vacancy in a manner that meets the representational requirements of
this section.

(d) To be eligible to serve as a temporary director, a
person must be a registered voter in the appointing county.

(e) Each temporary director must qualify to serve as a
director in the manner provided by Section 36.055, Water Code.

(f) Temporary directors serve until the earlier of:

(a) If the creation of the district is confirmed under Section
8856.004, the temporary directors from the counties that are included in the district become the initial permanent directors.

(b) If the Commissioners Courts of Collin, Cooke, and Denton Counties confirm the inclusion of those counties in the district, the three directors appointed from each county shall draw lots as follows to determine:

(e) Directors serve staggered four-year terms, with the term of one or two directors from each appointing county expiring on June 1 of each odd-numbered year.

(f) A director may serve multiple consecutive terms.

(g) A position on the board may not be construed to be a

S.B. No. 2497

Sec. 8856.101. GROUNDWATER CONSERVATION DISTRICT POWERS AND DUTIES. Except as provided by this chapter, the district has the powers and duties provided by the general law of this state, including Chapter 36, Water Code, applicable to groundwater conservation districts created under Section 59, Article XVI, Texas Constitution.

Sec. 8856.102. CONTRACTS. The district may enter into a contract with any person, public or private, for any purpose authorized by law.

Sec. 8856.103. APPLICABILITY OF DISTRICT REGULATIONS. Groundwater regulation under this chapter applies to all persons except as exempted from the requirement to obtain a permit for a well under Section 36.117, Water Code, or this chapter.

Sec. 8856.104. WELL SPACING RULES; EXEMPTIONS. (a) Except as provided by Subsection (b), the district shall exempt from the well spacing requirements adopted by the district any well that is completed on or before the effective date of those requirements.

(b) The district may provide by rule that a well may lose its exemption under this section if the well is modified in a manner that substantially increases the capacity of the well after the effective date of the well spacing requirements adopted by the district.

(c) Except as provided by this section and notwithstanding Section 8856.103, the district may require any well or class of wells exempt from permitting under Chapter 36, Water Code, to
S.B. No. 2497

comply with the well spacing requirements adopted by the district.
The district shall apply well spacing requirements uniformly to any
well or class of wells based on the size or capacity of the well and
without regard to the type of use of the groundwater produced by the
well.

Sec. 8856.105. REGISTRATION AND REPORTING REQUIREMENTS FOR
CERTAIN EXEMPT WELLS. The district may adopt rules that require the
owner or operator of a well or class of wells exempt from permitting
under Section 36.117, Water Code, to register the well with the
district and, except for a well exempt from permitting under
Subsection (b)(1) of that section, to report groundwater
withdrawals from the well using reasonable and appropriate
reporting methods and frequency.

Sec. 8856.106. ENFORCEMENT. (a) The district may enforce
this chapter in the manner provided by Chapter 36, Water Code. In
lieu of a remedy available to the district under Section 36.102,
Water Code, or in addition to those remedies, the district may
impose a fee in addition to a fee assessed under Section 8856.152 on
a person producing groundwater in violation of a rule of the
district, including the failure or refusal to comply with any order
or rule of the district to reduce or cease groundwater usage. The
purpose of a fee authorized under this subsection is to serve as a
disincentive to producing groundwater except as authorized by the
district.

(b) A fee imposed under Subsection (a) may not exceed an
amount equal to 10 times the amount of a fee assessed under Section
8856.152.
Sec. 8856.107. NO EMINENT DOMAIN POWER. The district may not exercise the power of eminent domain.

Sec. 8856.152. DISTRICT REVENUES. (a) The district by rule, resolution, or order may establish, amend, pledge, encumber, expend the proceeds from, and assess to any person production fees based on the amount of groundwater authorized by permit to be withdrawn from a well or on the amount of water actually withdrawn, to enable the district to fulfill its purposes and regulatory functions as provided by this chapter. The district may use revenues generated by fees it assesses for any lawful purpose.

(b) Notwithstanding any provision of general law to the contrary, a fee authorized by Subsection (a) may not exceed:

(1) $1 per acre-foot annually for groundwater used for agricultural purposes; or

(2) 30 cents per thousand gallons annually for groundwater used for nonagricultural purposes.

(c) Notwithstanding any provision of general law or this chapter to the contrary, if any, the district may assess a production fee under this section for groundwater produced from a well or class of wells exempt from permitting under Section 36.117, Water Code, except for a well exempted under Subsection (b)(1) of that section. A production fee assessed by the district under this...
subsection must be based on the amount of groundwater actually
withdrawn from the well and may not exceed the amount established by
the district for permitted uses under Subsection (b)(2) of this
section.

(d) Notwithstanding Section 36.1071(f), Water Code, the
district by rule, resolution, or order before the adoption of its
management plan may:

(1) establish, assess, and enforce the collection of
production fees under this section; and

(2) establish and enforce metering and reporting
requirements, except for a well exempt from permitting under
Section 36.117(b)(1), Water Code.

(e) The district by rule may establish a temporary or
permanent discounted fee rate for persons who prepay production
fees to the district under this section on or before the dates
established by district rule.

(f) The district may not charge an export fee to a producer
of groundwater withdrawn from a well in the district who
distributes the water to any part of the territory under the
provider's certificate of public convenience and necessity even if
the territory is outside the district's boundaries.

SECTION 2. (a) The legal notice of the intention to
introduce this Act, setting forth the general substance of this
Act, has been published as provided by law, and the notice and a
copy of this Act have been furnished to all persons, agencies,
officials, or entities to which they are required to be furnished
under Section 59, Article XVI, Texas Constitution, and Chapter 313,
Government Code.

(b) The governor has submitted the notice and Act to the Texas Commission on Environmental Quality.

(c) The Texas Commission on Environmental Quality has filed its recommendations relating to this Act with the governor, lieutenant governor, and speaker of the house of representatives within the required time.

(d) All requirements of the constitution and laws of this state and the rules and procedures of the legislature with respect to the notice, introduction, and passage of this Act are fulfilled and accomplished.

SECTION 3. This Act takes effect immediately if it receives a vote of two-thirds of all the members elected to each house, as provided by Section 39, Article III, Texas Constitution. If this Act does not receive the vote necessary for immediate effect, this Act takes effect September 1, 2009.
