

**LEGISLATIVE BUDGET BOARD**  
**Austin, Texas**

**FISCAL NOTE, 81ST LEGISLATIVE REGULAR SESSION**

**May 7, 2009**

**TO:** Honorable John T. Smithee, Chair, House Committee on Insurance

**FROM:** John S. O'Brien, Director, Legislative Budget Board

**IN RE: HB451** by Allen (Relating to health benefit plan coverage for autism spectrum disorder.),  
**Committee Report 1st House, Substituted**

<p><b>No significant fiscal implication to the State is anticipated.</b></p>
--

The bill would amend the Insurance Code relating to health benefit plan coverage for autism spectrum disorder. Based on the analysis of the Texas Department of Insurance (TDI), it is assumed that there would be a one-time revenue gain of \$16,000 in the General Revenue Dedicated Account Fund 36 in fiscal year 2010 because the bill would result in additional filings. Since General Revenue Dedicated Account Fund 36 is a self-leveling account, this analysis assumes all revenue generated would go toward fund balances or the maintenance tax would be set to recover a lower level of revenue the following year. It is also assumed that any costs realized by TDI from implementing the provisions of the bill could be absorbed within existing resources.

Based on the analysis by the University of Texas System, the Texas A&M University System, Teachers Retirement System, and Employee Retirement System, the bill would not change the coverage offered under any of these agency's health insurance plans and therefore would not have a fiscal impact on these agencies.

**Local Government Impact**

No fiscal implication to units of local government is anticipated.
