

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 81ST LEGISLATIVE REGULAR SESSION

March 27, 2009

TO: Honorable Lois W. Kolkhorst, Chair, House Committee on Public Health

FROM: John S. O'Brien, Director, Legislative Budget Board

IN RE: HB456 by Villarreal (Relating to the authority of a dental hygienist to provide services in certain facilities.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would amend Section 262.1515 of the Occupations Code to include Head Start programs and community health centers in the listing of eligible facilities and programs where a dentist is authorized to delegate to a dental hygienist certain services, tasks and procedures. The bill would authorize a dental hygienist to perform these delegated tasks or procedures for only one year unless the patient has been examined by a dentist. The Texas State Board of Dental Examiners would be required to adopt rules to implement these provisions.

Based on the analysis of the Texas State Board of Dental Examiners, the Department of State Health Services, the Central Education Agency, and the Health and Human Services Commission, duties and responsibilities associated with implementing the provisions of the bill could be accomplished by utilizing existing resources.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
