

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 81ST LEGISLATIVE REGULAR SESSION

March 11, 2009

TO: Honorable Garnet Coleman, Chair, House Committee on County Affairs

FROM: John S. O'Brien, Director, Legislative Budget Board

IN RE: HB667 by Callegari (Relating to the procurement methods authorized for public projects by certain local governments.), **As Introduced**

No fiscal implication to the State is anticipated.

Under current statute, starting September 1, 2009, a local government entity with a population of more than 100,000 will be authorized to use certain procurement methods for public projects that currently apply only to a local government with a population of 500,000 or more. Authorization is set to expire September 1, 2011.

Local Government Impact

Provisions of the bill would remove the ending date of authorization for using those procurement methods, which would allow those entities to continue to have greater flexibility in making purchases beyond September 1, 2011.

No significant fiscal implication to units of local government is anticipated.
