**FISCAL NOTE, 81ST LEGISLATIVE REGULAR SESSION**

**March 25, 2009**

**TO:** Honorable Patrick M. Rose, Chair, House Committee on Human Services

**FROM:** John S. O'Brien, Director, Legislative Budget Board

**IN RE: HB704** by Rose (Relating to the jurisdiction of a court to conduct placement review hearings for a child in the managing conservatorship of the state after the child's 18th birthday.), **As Introduced**

<b>No significant fiscal implication to the State is anticipated.</b>
---

The bill would amend Chapter 263, Family Code, to authorize the court to continue its jurisdiction over a child in the managing conservatorship of the Department of Family and Protective Services (DFPS) after the child's 18th birthday under certain circumstances. DFPS indicates that it is already serving the population of young adults targeted by the bill so any additional workload should be small.

**Local Government Impact**

Costs to the courts would vary depending on the number of such cases each court would handle; however, according to the Office of Court Administration, the fiscal implication would not be significant.
