**FISCAL NOTE, 81ST LEGISLATIVE REGULAR SESSION**

**March 15, 2009**

**TO:** Honorable Yvonne Gonzalez Toureilles, Chair, House Committee on Agriculture & Livestock

**FROM:** John S. O'Brien, Director, Legislative Budget Board

**IN RE: HB1911** by Isett (Relating to the Texas Rural Investment Fund.), **As Introduced**

**No significant fiscal implication to the State is anticipated.**

The bill would create the Texas Rural Investment Fund, to be administered by the Department of Agriculture, to provide grants or loans in rural areas to stimulate local entrepreneurship, job creation or retention, new capital investment, strategic economic development planning, individual economic and community development leadership training, housing development, or innovative workforce education.

This legislation would do one or more of the following: create or recreate a dedicated account in the General Revenue Fund, create or recreate a special or trust fund either with or outside of the Treasury, or create a dedicated revenue source. The fund, account, or revenue dedication included in this bill would be subject to funds consolidation review by the current Legislature.

TDA estimates there would be a minimal cost associated with implementing the provisions of the bill.

The bill would take effect September 1, 2009.

**Local Government Impact**

If a public entity that is a local government were to receive funds through the Texas Rural Investment Fund, the entity would experience a revenue gain. The amount of revenue gain would depend on the project and the discretion of the Department of Agriculture in making an award.
