**FISCAL NOTE, 81ST LEGISLATIVE REGULAR SESSION**

**March 31, 2009**

**TO:** Honorable Edmund Kuempel, Chair, House Committee on Licensing & Administrative Procedures

**FROM:** John S. O'Brien, Director, Legislative Budget Board

**IN RE: HB1973** by Hamilton (Relating to the licensing and regulation of pool-related electrical maintenance technicians and pool-related electrical maintenance contractors.), **As Introduced**

<b>No significant fiscal implication to the State is anticipated.</b>
---

The bill would amend Chapter 1305 of the Occupations Code to license and regulate pool-related electrical maintenance technicians and contractors. The bill would require the Texas Department of Licensing and Regulation (TDLR) to issue licenses to, and enforce rules and regulations of pool-related electrical maintenance technicians and contractors. The bill would establish eligibility requirements for the license.

TDLR indicates that there would be some cost to implement the provisions of the bill, but it is assumed that these costs could be absorbed within the agency's existing budget.

**Local Government Impact**

No fiscal implication to units of local government is anticipated.
