Austin, Texas

FISCAL NOTE, 81ST LEGISLATIVE REGULAR SESSION

May 6, 2009

TO: Honorable Jane Nelson, Chair, Senate Committee on Health & Human Services

FROM: John S. O'Brien, Director, Legislative Budget Board

IN RE: HB1990 by McReynolds (Relating to a diabetes self-management training pilot program under the state Medicaid program.), **As Engrossed**

No significant fiscal implication to the State is anticipated.

The bill would establish a diabetes self-management training pilot program within the Medicaid program at the Health and Human Services Commission (HHSC). It is assumed that HHSC would offer the program to approximately 1,000 participants per year and that the pilot program would end in fiscal year 2013. Federal matching funds are assumed and would offset the cost to the state. HHSC states that the cost of the pilot can be absorbed within existing resources.

Local Government Impact

No fiscal implication to units of local government is anticipated.
