FISCAL NOTE, 81ST LEGISLATIVE REGULAR SESSION

May 30, 2009

TO: Honorable David Dewhurst , Lieutenant Governor, Senate
Honorable Joe Straus, Speaker of the House, House of Representatives

FROM: John S. O'Brien, Director, Legislative Budget Board

IN RE: HB2012 by Vaught (Relating to the criminal consequences of operating without a valid driver's license a motor vehicle for which financial responsibility is not established.),
Conference Committee Report

<p>No significant fiscal implication to the State is anticipated.</p>
--

The bill would amend Section 521.457 of the Transportation Code to stipulate that a person commits a Class B misdemeanor if a person commits an offense of driving without a valid driver's license and at the time is also operating a motor vehicle without maintaining liability insurance. If at the time a person is driving without a valid driver's license, that person causes or is at fault in a motor vehicle accident that results in serious bodily injury to or the death of another and is driving without maintaining liability insurance, the offense would be a Class A misdemeanor. The punishment for a Class B misdemeanor is a fine not to exceed \$2,000, confinement in jail for a term not to exceed 180 days, or both. The punishment for a Class A misdemeanor is a fine not to exceed \$4,000; confinement in jail for a term not to exceed one year; or both a fine and confinement. It is anticipated that unless the increased offense level applies to a high number of the offenses committed, there would be no significant fiscal impact.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
