Fiscal Analysis

The bill would amend Chapter 171 of the Tax Code, regarding the franchise tax.

The bill would change the total revenue exemption amount for the tax from \$300,000 or less to \$1,500,000 or less.

The bill would repeal Sections 171.0021 and 171.1016(d) of the Tax Code. Those sections deal with discounts from tax owed that are available to taxable entities with total revenue of \$900,000 or less. The change in the exemption amount proposed in the bill would render these sections without impact on the calculation of franchise tax liability.

The bill would take effect January 1, 2010, and apply to a report originally due on or after that date.

Methodology

The estimated fiscal impact of the bill is based on data reported on the 2008 franchise tax reports from taxable entities with total revenue of \$1,500,000 or less.

Local Government Impact

No fiscal implication to units of local government is anticipated.
