**Austin, Texas**

**FISCAL NOTE, 81ST LEGISLATIVE REGULAR SESSION**

**May 10, 2009**

**TO:** Honorable Lois W. Kolkhorst, Chair, House Committee on Public Health

**FROM:** John S. O'Brien, Director, Legislative Budget Board

**IN RE: HB2581** by Gonzalez Toureilles (Relating to the access to certain information or consideration for a discount health care program or a discount health care program operator.),  
**Committee Report 1st House, Substituted**

<b>No significant fiscal implication to the State is anticipated.</b>
---

The bill would amend the Health and Safety Code by expanding the definitions of a discount health care program and a discount care health care program operator.

Based on the analysis of the Texas Department of Licensing and Regulation (TDLR), it is assumed that there would be a small annual revenue gain because the bill would result in additional registrations from certain discount health care card operators. Since the agency is required to cover its cost of operation, this analysis assumes that any increase in revenue will be offset by the agency readjusting fees. It is also assumed that any costs realized by TDLR from implementing the provisions of the bill could be absorbed within existing resources.

Based on analysis provided by the Texas Department of Insurance, the bill will have no fiscal impact on the agency.

**Local Government Impact**

No fiscal implication to units of local government is anticipated.
