Austin, Texas

FISCAL NOTE, 81ST LEGISLATIVE REGULAR SESSION

March 19, 2009

TO: Honorable Veronica Gonzales, Chair, House Committee on Border & Intergovernmental Affairs

FROM: John S. O'Brien, Director, Legislative Budget Board

IN RE: HB2653 by Oliveira (Relating to authorizing design-build procedures for construction, rehabilitation, alteration, or repair of certain utility projects located in certain areas.), **As Introduced**

No fiscal implication to the State is anticipated.

The bill would add Section 271.1821 to Chapter 271, Local Government Code, to authorize the use of design-build procedures for construction, rehabilitation, alteration, or repair of projects undertaken by a municipally owned combined utility (electric, water, and wastewater) located in an economically distressed area within 30 miles of the Gulf of Mexico and within 50 miles of the Texas-Mexico border.

Local Government Impact

The fiscal impact would depend on the number and scope of projects.
