FISCAL NOTE, 81ST LEGISLATIVE REGULAR SESSION

April 9, 2009

TO: Honorable Mark Homer, Chair, House Committee on Culture, Recreation & Tourism

FROM: John S. O'Brien, Director, Legislative Budget Board

IN RE: HB2671 by Thibaut (relating to the requirement to keep records of game bird or animal carcasses placed in a cold storage or processing facility.), **Committee Report 1st House, Substituted**

No fiscal implication to the State is anticipated.

The bill would amend the Parks and Wildlife Code relating to the requirement to keep records of game bird or animal carcasses placed in a cold storage or processing facility. The bill would redefine the anatomical parameters of "quartering" an animal; as well as changing when records are required, for a game bird or animal carcass placed in a cold storage or processing facility, effective September 1, 2009. The Texas Parks and Wildlife Department indicates there is no fiscal implication to implementing the provisions of the bill.

Local Government Impact

No fiscal implication to units of local government is anticipated.
