Fiscal Analysis

The bill would make appropriations from the General Revenue Fund, State Highway Fund and the GR Account Solid Waste Disposal Fees No. 5000 to pay itemized claims and judgements plus interest, if any, against the state.

Methodology

Under the provisions of the bill, before any claim or judgement may be paid from money appropriated the claim or judgement must be verified and substantiated by the administrator of the fund or account, and then approved by the Attorney General and the Comptroller of Public Accounts before August 31, 2010.

The cost to the General Revenue Fund 0001, GR Account 5000, and the State Highway Fund 0006 would be the increased appropriation authority in fiscal 2010 to pay the specific claims and judgements that would be settled by this bill.

The bill would take effect September 1, 2009.

Local Government Impact

No fiscal implication to units of local government is anticipated.
