

LEGISLATIVE BUDGET BOARD

Austin, Texas

FISCAL NOTE, 81ST LEGISLATIVE REGULAR SESSION

April 30, 2009

TO: Honorable Lois W. Kolkhorst, Chair, House Committee on Public Health

FROM: John S. O'Brien, Director, Legislative Budget Board

IN RE: HB3327 by Castro (Relating to the duties of the interagency obesity council and the Department of Agriculture relating to health, wellness, and prevention of obesity.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill relates to the duties of the Interagency Obesity Council and the Department of Agriculture (TDA) relating to health, wellness, and prevention of obesity. The bill would require the council to create an evidence-based public health awareness plan and study the feasibility, practicality, and potential benefit, cost, and revenue associated with creating a state-endorsed "healthy food and beverage" designation.

TDA and the University of Texas System Administration estimate there would be a minimal cost associated with implementing the provisions of the bill.

The bill would take effect September 1, 2009.

Local Government Impact

No fiscal implication to units of local government is anticipated.
