Fiscal Analysis

The bill would require the State Auditor's Office (SAO) to conduct a financial-related compliance audit of a regional planning commission (Commission) created under Chapter 391, Local Government Code. The audit is to be completed prior to June 1, 2010. Additionally, the bill requires the Commission to reimburse the SAO for the cost of the audit.

Methodology

It is assumed that this audit would be of the Houston-Galveston Council which is comprised of numerous local governments and would require 4,000 hours to complete. Based on the SAO's current billing rate of \$90 per hour, it is estimated that the cost of the audit to be \$389,400, inclusive of \$38,400 travel costs.

**Local Government Impact**

The Commission audited by the SAO would have to pay the cost of the audit.
