

**LEGISLATIVE BUDGET BOARD**  
**Austin, Texas**

**FISCAL NOTE, 81ST LEGISLATIVE REGULAR SESSION**

**May 20, 2009**

**TO:** Honorable Troy Fraser, Chair, Senate Committee on Business & Commerce

**FROM:** John S. O'Brien, Director, Legislative Budget Board

**IN RE: HB3628** by Jones (Relating to the date by which the executive director of the Texas Department of Licensing and Regulation must require compliance with certain elevator safety standards.), **As Engrossed**

**No significant fiscal implication to the State is anticipated.**

The bill would extend the delay to September 1, 2015 that the executive director of the Texas Department of Licensing and Regulation (TDLR) can grant for compliance with the requirements for door restrictors or firefighter's service in the ASME Code for elevator safety standards. TDLR would be required to adopt rules to implement the provisions of the bill.

TDLR anticipates any additional work resulting from the passage of the bill could be reasonably absorbed within current resources.

**Local Government Impact**

No fiscal implication to units of local government is anticipated.
