

LEGISLATIVE BUDGET BOARD

Austin, Texas

FISCAL NOTE, 81ST LEGISLATIVE REGULAR SESSION

April 6, 2009

TO: Honorable Yvonne Gonzalez Toureilles, Chair, House Committee on Agriculture & Livestock

FROM: John S. O'Brien, Director, Legislative Budget Board

IN RE: HB4629 by Lucio III (Relating to creation of the Early Childhood Health and Nutrition Interagency Council.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would require the Department of Agriculture (TDA) to establish the Early Childhood Health and Nutrition Interagency Council with representatives from TDA, the Health and Human Services Commission, the Department of State Health Services, the Texas Workforce Commission, the Texas Education Agency, and the Department of Family and Protective Services. The bill would require TDA to provide staff and resources necessary for the operation of the council.

The bill requires the council to review the status of the programs administered by each agency represented on the council that promote healthy nutrition and physical activity in early childhood care settings.

The bill would require the council to research various health and nutrition issues for children and develop an early childhood nutrition and physical activity plan to be implemented over a six-year period of time to be submitted to the Legislature and Governor by November 1, 2010.

Based on the LBB's analysis of TDA, the duties and responsibilities associated with implementing the provisions of the bill could be accomplished by utilizing existing resources. The Texas Education Agency, the Department of Family and Protective Services, the Texas Workforce Commission, the Health and Human Services Commission, and the Department of State Health Services indicate that any costs associated with the bill could be absorbed within each agency's existing resources.

The bill would take effect immediately if it receives a vote of two-thirds of all members elected to each house; otherwise it would take effect September 1, 2009.

Local Government Impact

No fiscal implication to units of local government is anticipated.
