Austin, Texas

FISCAL NOTE, 81ST LEGISLATIVE REGULAR SESSION

May 13, 2009

TO: Honorable Kip Averitt, Chair, Senate Committee on Natural Resources

FROM: John S. O'Brien, Director, Legislative Budget Board

IN RE: HJR102 by Raymond (Proposing a constitutional amendment to protect the right of the public to access and use public beaches.), **As Engrossed**

No significant fiscal implication to the State is anticipated, other than the cost of publication.

The cost to the state for publication of the resolution is \$90,882.

The resolution would define a public beach as a state-owned beach bordering on the seaward shore of the Gulf of Mexico, extending from mean low tide to the landward boundary of state-owned submerged land, and any larger area extending from the line of mean low tide to the line of vegetation bordering on the Gulf of Mexico to which the public has acquired a right of use or easement to or over the area by prescription or dedication or has established and retained a right by virtue of continuous right in the public under Texas common law. It would provide that the the public has an unrestricted right to use and a right of ingress to and egress from a public beach. It would also authorize the legislature to enact laws to protect the right of the public to access and use a public beach and to protect the public beach easement from interference and encroachments.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
