

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 81ST LEGISLATIVE REGULAR SESSION

February 20, 2009

TO: Honorable Jeff Wentworth, Chair, Senate Committee on Jurisprudence

FROM: John S. O'Brien, Director, Legislative Budget Board

IN RE: SB446 by Wentworth (Relating to the use of certain court costs in a criminal case for municipal programs enhancing public safety and security.), **As Introduced**

No fiscal implication to the State is anticipated.

The bill would amend the Code of Criminal Procedure to authorize additional uses of certain funds collected in a municipal court case in a municipality with a population less than 850,000.

Currently the applicable court costs collected must be used for a school crossing guard program, and any money remaining after costs for the program may be deposited into an interest-bearing account or expended for programs to enhance child safety, health, or nutrition, including child abuse prevention and intervention and drug and alcohol abuse prevention. Under provisions of the bill, additional funds from those court costs could also be used for programs designed to enhance public safety and security.

Local Government Impact

If an affected municipality already operates programs designed to enhance public safety and security and would have access to additional money from the court costs collected to use for the safety programs, the municipality would experience a savings by having an additional revenue source to pay for part or all program expenses. Otherwise, because there would be no new revenues generated, rather expanded uses for existing revenues, there would be no fiscal impact.
