

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 81ST LEGISLATIVE REGULAR SESSION

March 22, 2009

TO: Honorable Jane Nelson, Chair, Senate Committee on Health & Human Services

FROM: John S. O'Brien, Director, Legislative Budget Board

IN RE: SB493 by Nelson (Relating to benefits and services for children in the conservatorship of the Department of Family and Protective Services.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill increases the number of Department of Family Protective Services conservatorship children who would be eligible for the education tuition waiver to include those who are adopted at any age and those who have permanent managing conservatorship (PMC) given or transferred to someone other than the parent. There is currently an exemption program for students once in foster care. Based on information provided by the Higher Education Coordinating Board, in fiscal year 2008 a total of 2,030 students received exemptions totaling \$4,134,826. The majority of the students attended public community college (68%) where the average award was \$1,001 and public universities (27%) where the average award was \$4,647 per year. Based on information provided by the Higher Education Coordinating Board it is estimated the new exemption provisions would result in institutions forgoing tuition and fees of \$96,455 in fiscal year 2010. The amounts would increase in the out years as more students used the exemption.

Local Government Impact

No fiscal implication to units of local government is anticipated.
