**FISCAL NOTE, 81ST LEGISLATIVE REGULAR SESSION**

**March 23, 2009**

**TO:** Honorable Jeff Wentworth, Chair, Senate Committee on Jurisprudence

**FROM:** John S. O'Brien, Director, Legislative Budget Board

**IN RE: SB1057** by Uresti (Relating to criminal history record information relating to persons who are certified to provide guardianship services.), **As Introduced**

<p><b>No significant fiscal implication to the State is anticipated.</b></p>
------------------------------------------------------------------------------

The bill would amend the Government Code and the Probate Code relating to criminal history record information relating to persons who are certified to provide guardianship services. According to the Office of Court Administration, county clerks are currently required to perform a criminal history check before a person (other than a family member or an attorney) is appointed to serve as a guardian. The bill would allow the clerks to obtain the criminal history information from the Guardianship Certification Board at the Office of Court Administration (OCA), which also performs a criminal history check before a person is certified and re-certified. OCA indicates any costs associated with the bill could be absorbed within the agency's existing resources. The bill would take immediate effect if the bill receives two-thirds the vote of all members. Otherwise, the bill would take effect September 1, 2009.
