**Austin, Texas**

**FISCAL NOTE, 81ST LEGISLATIVE REGULAR SESSION**

**March 19, 2009**

**TO:** Honorable Rodney Ellis, Chair, Senate Committee on Government Organization

**FROM:** John S. O'Brien, Director, Legislative Budget Board

**IN RE: SB1149** by Hegar (Relating to authorizing the Texas Board of Criminal Justice to sell certain real property for municipal airport expansion.), **As Introduced**

The amount of gain to the Texas Capital Trust Fund is unknown and would depend upon the amount of proceeds received from the sale of approximately 85 acres of land adjacent and east of the Sugarland Regional Airport.

The bill would require the Texas Board of Criminal Justice to authorize the sale of approximately 85 acres of land adjacent and east of the Sugarland Regional Airport to the city of Sugarland. The land is primarily utilized as employee housing for the Department of Criminal Justice (TDCJ). Proceeds of the sale and the net of any remediation costs would be deposited in the Texas Capital Trust Fund and not specifically appropriated to the Department of Criminal Justice. TDCJ would have costs associated with the loss of employee housing (five single family homes and 36 duplex housing units).

**Local Government Impact**

The cost to a municipality would depend on the fair market value of the land the municipality would seek to purchase. It is assumed that the municipality would seek to make the purchase only if sufficient resources would be available and the purchase would benefit the municipality.
