FISCAL NOTE, 81ST LEGISLATIVE REGULAR SESSION

March 31, 2009

TO: Honorable John Carona, Chair, Senate Committee on Transportation & Homeland Security

FROM: John S. O'Brien, Director, Legislative Budget Board

IN RE: SB1367 by Carona (Relating to parking placard applications by persons with a mobility problem caused by an impairment of vision.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would amend the Transportation Code to authorize a person licensed to practice optometry or therapeutic optometry in this state or a state adjacent to this state to issue the notarized written statement or written prescription required for a disabled person parking placard.

Based on the analysis of the Texas Department of Transportation, it is assumed any costs or duties associated with implementing the provisions of the bill could be absorbed within existing resources.

Local Government Impact

No fiscal implication to units of local government is anticipated.
