**April 10, 2009**

**TO:** Honorable Eddie Lucio, Jr., Chair, Senate Committee on International Relations & Trade

**FROM:** John S. O'Brien, Director, Legislative Budget Board

**IN RE: SB1371** by Lucio (Relating to the colonia self-help program.), **As Introduced**

<b>No significant fiscal implication to the State is anticipated.</b>
---

The bill would amend the Water Code to: provide the Water Development Board (TWDB) the authority to determine the number of dwellings required in order to qualify for the Colonia Self-help Program; allow political subdivisions to qualify for funding under the Colonia Self-help Program; allow TWDB to make an advance of grant funds in certain circumstances; modify the requirements that must be met in order to qualify for the Colonia Self-help Program; and modify the requirements of what must be considered by TWDB in evaluating grant applications under the Colonia Self-help Program.

TWDB indicates that any costs associated with the bill could be absorbed within the agency's existing resources.

The bill would take effect immediately if it receives a vote of two-thirds of all members elected to each house; otherwise it would take effect September 1, 2009.

**Local Government Impact**

No significant fiscal implication to units of local government is anticipated.
