**Austin, Texas**

**FISCAL NOTE, 81ST LEGISLATIVE REGULAR SESSION**

**April 30, 2009**

**TO:** Honorable Joseph Pickett, Chair, House Committee on Transportation

**FROM:** John S. O'Brien, Director, Legislative Budget Board

**IN RE: SB1426** by Williams (Relating to the installation, operation, and maintenance of automatic license plate identification cameras on a highway.), **As Engrossed**

<p><b>No significant fiscal implication to the State is anticipated.</b></p>
--

The bill would amend the Transportation Code to authorize the Texas Department of Transportation (TxDOT) to enter into an agreement with the Department of Public Safety (DPS) or the federal law enforcement agency to install, maintain, and operate an automatic license plate identification camera on state highway right-of-way. The bill would prescribe general terms for such an agreement and purposes for which images produced by the camera may be used.

Based on the analysis of TxDOT and DPS, it is assumed any costs or duties associated with implementing the provisions of the bill could be absorbed within existing resources.

**Local Government Impact**

No fiscal implication to units of local government is anticipated.
