**FISCAL NOTE, 81ST LEGISLATIVE REGULAR SESSION**

**March 30, 2009**

**TO:** Honorable Royce West, Chair, Senate Committee on Intergovernmental Relations

**FROM:** John S. O'Brien, Director, Legislative Budget Board

**IN RE: SB1574** by Hinojosa (Relating to the requirement that the county clerk of certain counties prepare a written records management and preservation services plan.), **As Introduced**

**No fiscal implication to the State is anticipated.**

The bill would remove from Section 118.0216(e), Local Government Code, the requirement that the county clerk in a county that is adjacent to an international boundary prepare an annual written plan for funding automation projects and records management and preservation services performed by the clerk. It would also remove the requirement to hold a public hearing on the plan.

**Local Government Impact**

Although removal of these requirements would result in a savings, no significant fiscal implication to units of local government is anticipated.
