FISCAL NOTE, 81ST LEGISLATIVE REGULAR SESSION

April 22, 2009

TO: Honorable Jane Nelson, Chair, Senate Committee on Health & Human Services

FROM: John S. O'Brien, Director, Legislative Budget Board

IN RE: SB1730 by West (Relating to minimum training standards for employees of certain child-care facilities.), **Committee Report 1st House, Substituted**

No significant fiscal implication to the State is anticipated.

The bill would amend minimum training standards for employees and directors of certain child care facilities under Chapter 42, Human Resources Code, by increasing the number of training hours required. The Department of Family and Protective Services indicates that costs associated with updating minimum standards, rules, and licensing policy and procedures as required by the bill and could be absorbed within existing resources.

Local Government Impact

No fiscal implication to units of local government is anticipated.
