April 22, 2009

TO: Honorable Tommy Williams, Chair, Senate Committee on Administration

FROM: John S. O'Brien, Director, Legislative Budget Board

IN RE: SB2307 by Williams (Relating to the preservation and maintenance of the Governor's Mansion.), **Committee Report 1st House, Substituted**

<p>No significant fiscal implication to the State is anticipated.</p>
--

The bill would provide for the State Preservation Board to be solely responsible for the preservation and maintenance of the Governor's Mansion and the protection of the historical and architectural integrity of the mansion's exterior, interior, and grounds.

The bill would amend statute to require the Historical Commission to approve construction plans and monitor the work on the Governor's Mansion.

The bill would repeal statute related to the Historical Commission to solicit the advice of the Governor and the Governor's spouse for certain activities and contracts.

The bill would take effect immediately if it receives a vote of two-thirds of all the members elected to each house, otherwise, the bill would take effect September 1, 2009.

It is assumed that any additional duties and responsibilities required by the bill could be absorbed within existing resources.

Local Government Impact

No fiscal implication to units of local government is anticipated.
