

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 81ST LEGISLATIVE REGULAR SESSION

April 17, 2009

TO: Honorable Kip Averitt, Chair, Senate Committee on Natural Resources

FROM: John S. O'Brien, Director, Legislative Budget Board

IN RE: SB2380 by Jackson, Mike (Relating to contracts for the disposal of dredged material from a portion of the Gulf Coast Intracoastal Waterway.), **Committee Report 1st House, Substituted**

No significant fiscal implication to the State is anticipated.

The bill would amend the Transportation Code to authorize the Texas Transportation Commission to enter into a contract with a political subdivision to dispose of dredged material from the Highland Bayou Diversionary Canal on Placement Area 58A of the Gulf Coast Intracoastal Waterway.

Based on the analysis of the Texas Department of Transportation, it is assumed any costs or duties associated with implementing the provisions of the bill could be absorbed within existing resources.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
