CONFERENCE

No equivalent provision.

ARTICLE 1. GENERAL PROVISIONS

No equivalent provision.

SECTION 1.01. Section 37.108, Education Code, is amended by adding Subsections (c-1) and (c-2) to read as follows:

(c-1) Except as provided by Subsection (c-2), any document or information collected during a security audit conducted under Subsection (b) is not subject to disclosure under Chapter 552, Government Code.

(c-2) A document relating to a school district's multihazard emergency operation plan is subject to disclosure if the document enables a person to:

(1) verify that the district has established a plan and determine the agencies involved in the development of the plan and the agencies coordinating with the district to respond to an emergency, including local emergency services agencies, law enforcement agencies, and fire departments;

(2) verify that the district's plan was reviewed within the last 12 months and determine the specific review dates;

(3) verify that the plan addresses the four phases of emergency management under Subsection (a);

(4) verify that district employees have been trained to respond to an emergency and determine the types of training, the number of employees trained, and the person conducting the training;

(5) verify that each campus in the district has conducted mandatory emergency drills and exercises in accordance

CONFERENCE

with the plan and determine the frequency of the drills;
(6) verify that the district has established a plan for responding to a train derailment if required under Subsection (d);
(7) verify that the district has completed a security audit under Subsection (b) and determine the date the audit was conducted, the person conducting the audit, and the date the district presented the results of the audit to the school board;
(8) verify that the district has addressed any recommendations by the district's board of trustees for improvement of the plan and determine the district's progress within the last 12 months; and
(9) verify that the district has established a visitor policy and identify the provisions governing access to a district building or other district property.

No equivalent provision.

SECTION 1.02. Subdivision (1), Section 418.004, Government Code, is amended to read as follows:
(1) "Disaster" means the occurrence or imminent threat of widespread or severe damage, injury, or loss of life or property resulting from any natural or man-made cause, including fire, flood, earthquake, wind, storm, wave action, oil spill or other water contamination, volcanic activity, epidemic, air contamination, blight, drought, infestation, explosion, riot, hostile military or paramilitary action, extreme heat, other public calamity requiring emergency action, or energy emergency.

HOUSE VERSION

SECTION 1. Sections 418.005(a) and (b), Government Code, are amended to read as follows:

(a) This section applies only to an elected law enforcement officer or county judge or an appointed public officer of the state or of a political subdivision who has management or supervisory responsibilities and:

(1) whose position description, job duties, or assignment includes emergency management responsibilities; or
(2) who plays a role in emergency preparedness, response, or recovery.

(b) Each person described by Subsection (a) shall complete a course of training provided or approved by the division of not less than three hours regarding the responsibilities of state and local governments under this chapter not later than the 180th day after the date the person:

(1) takes the oath of office, if the person is required to take an oath of office to assume the person's duties as a [an appointed] public officer; or

(2) otherwise assumes responsibilities as a [an appointed] public officer, if the person is not required to take an oath of office to assume the person's duties.

SENATE VERSION

SECTION 1.03. Section 418.005, Government Code, is amended by amending Subsections (a) and (b) and adding Subsection (h) to read as follows:

(a) This section applies only to an elected law enforcement officer or county judge, or an appointed public officer of the state or of a political subdivision, who has management or supervisory responsibilities and:

(1) whose position description, job duties, or assignment includes emergency management responsibilities; or
(2) who plays a role in emergency preparedness, response, or recovery.

(b) Each person described by Subsection (a) shall complete a course of training provided or approved by the division of not less than three hours regarding the responsibilities of state and local governments under this chapter not later than the 180th day after the date the person:

(1) takes the oath of office, if the person is required to take an oath of office to assume the person's duties as a [an appointed] public officer; or

(2) otherwise assumes responsibilities as a [an appointed] public officer, if the person is not required to take an oath of office to assume the person's duties.

(h) The Texas Engineering Extension Service of The Texas A&M University System, with the direction, oversight, and approval of the division, shall implement online courses and secure continuing education credits

for elected or appointed officials, volunteers, or employees requested to attend training or required under Subsection (b) to attend training. Training under this subsection is optional for volunteers.

SECTION 2. Section 418.013, Government Code, is amended by amending Subsection (b) and adding Subsection (d) to read as follows:

(b) The emergency management council is composed of representatives [the heads] of state agencies, boards, [and] commissions, and [representatives of] organized volunteer groups designated by the head of each entity.

(d) The council shall assist the division in identifying, mobilizing, and deploying state resources to respond to major emergencies and disasters throughout the state.

No equivalent provision.

SECTION 1.04. Section 418.013, Government Code, is amended by amending Subsection (b) and adding Subsection (d) to read as follows:

(b) The emergency management council is composed of representatives [the heads] of state agencies, boards, [and] commissions, and [representatives of] organized volunteer groups designated by the head of each entity.

(d) The emergency management council shall assist the division in identifying, mobilizing, and deploying state resources to respond to major emergencies and disasters throughout the state.

SECTION __. Sec. 418.016. SUSPENSION OF PROCEDURAL LAWS AND RULES.

(a) The governor may suspend the provisions of any regulatory statute prescribing the procedures for conduct of state business or the orders or rules of a state agency if strict compliance with the provisions, orders, or rules would in any way prevent, hinder, or delay necessary action in coping with a disaster.

(b) Upon declaration of a state of disaster, enforcement of the regulation of on-premise outdoor signs under

Subchapter A, Chapter 216, Local Government Code, by a municipality that is located in a county within, or that is located in a county adjacent to a county within, the disaster area specified by the declaration is suspended to allow licensed or admitted insurance carriers or licensed agents acting on behalf of insurance carriers to erect temporary claims service signage for not more than 60 days or until the end of the declaration of disaster, whichever is earlier.

(c) A temporary claims service sign shall not;

(1) be larger than forty square feet in size, and;

(2) be more than five feet in height, and;

(3) be placed in the right of way.

(4) At the end of the 30 days or the end of the declaration of disaster, whichever is earlier, the insurance carrier or its licensed agents must remove the temporary claims service signage that was erected.

SECTION 3. Section 418.042(a), Government Code, is amended to read as follows:

(a) The division shall prepare and keep current a comprehensive state emergency management plan. The plan may include:

- (1) provisions for prevention and minimization of injury and damage caused by disaster;
- (2) provisions for prompt and effective response to disaster;
- (3) provisions for emergency relief;

SECTION 1.05. Subsection (a), Section 418.042, Government Code, is amended to read as follows:

(a) The division shall prepare and keep current a comprehensive state emergency management plan. The plan may include:

- (1) provisions for prevention and minimization of injury and damage caused by disaster;
- (2) provisions for prompt and effective response to disaster;
- (3) provisions for emergency relief;

Management Agency, and other federal agencies, shall develop an annex to the state emergency management plan that addresses initial response planning for providing essential population support supplies, equipment, and services during the first 120 hours immediately following a disaster. The annex must include:

- (1) provisions for interagency coordination of disaster response efforts;
- (2) provisions for the rapid gross assessment of population support needs;
- (3) plans for the clearance of debris from major roadways to facilitate emergency response operations and delivery of essential population support supplies and equipment;
- (4) methods to obtain food, water, and ice for disaster victims through prearranged contracts or suppliers, stockpiled supplies, or plans to request assistance from federal agencies, as appropriate;

SENATE VERSION

Management Agency, and other federal agencies, shall develop an annex to the state emergency management plan that addresses initial response planning for providing essential population support supplies, equipment, and services during the first five days immediately following a disaster. The annex must include:

- (1) plans to make fuel available to, maintain continuing operations of, and assess the backup power available for, all:
 - (A) hospitals;
 - (B) prisons;
 - (C) assisted living facilities licensed under Chapter 247, Health and Safety Code;
 - (D) institutions licensed under Chapter 242, Health and Safety Code; and
 - (E) other critical facilities determined by the division;
- (2) provisions for interagency coordination of disaster response efforts;
- (3) provisions for the rapid gross assessment of population support needs;
- (4) plans for the clearance of debris from major roadways to facilitate emergency response operations and delivery of essential population support supplies and equipment;
- (5) methods to obtain food, water, and ice for disaster victims through prearranged contracts or suppliers, stockpiled supplies, or plans to request assistance from federal agencies, as appropriate;

SECTION 1.10. Subchapter C, Chapter 418, Government Code, is amended by adding Section 418.050 to read as follows:

Sec. 418.050. PHASED REENTRY PLAN. (a) The division shall develop a phased reentry plan to govern the order in which particular groups of people are allowed to reenter areas previously evacuated because of a disaster or threat of disaster. The plan may provide different reentry procedures for different types of disasters.

(b) The phased reentry plan shall:

(1) recognize the role of local emergency management directors in making decisions regarding the timing and implementation of reentry plans for a disaster; and

(2) provide local emergency management directors with sufficient flexibility to adjust the plan as necessary to accommodate the circumstances of a particular emergency.

(c) The division, in consultation with representatives of affected parties and local emergency management directors, shall develop a reentry credentialing process. The division shall include the credentialing process in the phased reentry plan. The Department of Public Safety of the State of Texas shall provide support for the credentialing process.

the evacuated area to leave and authorize the use of reasonable force to remove persons from the area.

(c) The governor and a county judge or mayor of a municipality who orders the evacuation of an area stricken or threatened by a disaster by a concurrent order may compel persons who remain in the evacuated area to leave.

(d) A person is civilly liable to a governmental entity, or a nonprofit agency cooperating with a governmental entity, that conducts a rescue on the person's behalf for the cost of the rescue effort if:

(1) the person knowingly ignored a mandatory evacuation order under this section and:

(A) engaged in an activity or course of action that a reasonable person would not have engaged in; or

(B) failed to take a course of action a reasonable person would have taken;

(2) the person's actions under Subdivision (1) placed the person or another person in danger; and

(3) a governmental rescue effort was undertaken on the person's behalf.

(e) An officer or employee of the state or a political subdivision who issues or is working to carry out a mandatory evacuation order under this section is immune from civil liability for any act or omission within the course and scope of the person's authority under the order.

HOUSE VERSION

SENATE VERSION

CONFERENCE

surge capacity with regard to lodging shall consult with representatives of emergency responders, infrastructure and utility repair personnel, and other representatives of agencies, entities, or businesses determined by the division to be essential to the planning process.

Sec. 418.190. AGRICULTURE EMERGENCY RESPONSE PLAN. (a) In coordination with the division, the Department of Agriculture and the Texas Animal Health Commission shall prepare and keep current an agriculture emergency response plan as an annex to the state emergency management plan. The plan must include provisions for:

(1) identifying and assessing necessary training, resource, and support requirements;

(2) providing information on recovery, relief, and assistance requirements following all types of disasters, including information on biological and radiological response; and

(3) all other information the Department of Agriculture and the Texas Animal Health Commission determine to be relevant to prepare for an all-hazards approach to agricultural disaster management.

(b) The Department of Agriculture and the Texas Animal Health Commission shall include the plan developed under Subsection (a) in an annual report to the legislature and the office of the governor.

Sec. 418.191. MEDICAL SPECIAL NEEDS VOLUNTEERS. (a) An entity responsible for the care of individuals with medical special needs shall develop

and distribute information on volunteering in connection with a disaster.

(b) The division shall provide information to interested parties and the public regarding how volunteers can be identified and trained to help all groups of people, including those with medical special needs and those who are residents of assisted living facilities.

SECTION 1.07. Sec. 418.186. DISASTER AND EMERGENCY EDUCATION. (a) The Department of State Health Services shall establish a program designed to educate the citizens of this state on disaster and emergency preparedness, response, and recovery. Before establishing the program, the department must collaborate with local authorities to prevent state efforts that are duplicative of local efforts. The program must address:

- (1) types of disasters or other emergencies;
- (2) the appropriate response to each type of disaster or emergency, including options for evacuation and shelter;
- (3) how to prepare for each type of disaster or emergency;
- (4) the impact of each type of disaster or emergency on citizens requiring medical assistance or other care;
- (5) ways to respond in a disaster or emergency or to assist the victims of a disaster or emergency; and
- (6) resources and supplies for disaster or emergency recovery.

(b) The executive commissioner of the Health and Human Services Commission, in cooperation with the

governor, shall adopt rules to create and administer a disaster and emergency education program established under this section.

No equivalent provision.

SECTION 1.18. Subchapter B, Chapter 242, Health and Safety Code, is amended by adding Section 242.0395 to read as follows:

Sec. 242.0395. REGISTRATION WITH TEXAS INFORMATION AND REFERRAL NETWORK. (a)

An institution licensed under this chapter shall register with the Texas Information and Referral Network under Section 531.0312, Government Code, to assist the state in identifying persons needing assistance if an area is evacuated because of a disaster or other emergency.

(b) The institution is not required to identify individual residents who may require assistance in an evacuation or to register individual residents with the Texas Information and Referral Network for evacuation assistance.

(c) The institution shall notify each resident and the resident's next of kin or guardian regarding how to register for evacuation assistance with the Texas Information and Referral Network.

No equivalent provision.

SECTION 1.19. Subchapter B, Chapter 247, Health and Safety Code, is amended by adding Section 247.0275 to read as follows:

(b) Notwithstanding Section 207.021, the governor, by executive order, may suspend the waiting period requirement imposed under Section 207.021(a)(7) to authorize an individual to receive benefits for that waiting period if the individual:

(1) is unemployed as a direct result of a natural disaster that results in a disaster declaration by the president of the United States under the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. Section 5121 et seq.);

(2) is otherwise eligible for unemployment compensation benefits under this subtitle; and

(3) is not receiving disaster unemployment assistance benefits for the period included in that waiting period.

No equivalent provision.

SECTION 1.20. Subdivisions (1) and (13-a), Section 541.201, Transportation Code, are amended to read as follows:

(1) "Authorized emergency vehicle" means:

(A) a fire department or police vehicle;

(B) a public or private ambulance operated by a person who has been issued a license by the Texas Department of Health;

(C) a municipal department or public service corporation emergency vehicle that has been designated or authorized by the governing body of a municipality;

(D) a private vehicle of a volunteer firefighter or a certified emergency medical services employee or

volunteer when responding to a fire alarm or medical emergency;

(E) an industrial emergency response vehicle, including an industrial ambulance, when responding to an emergency, but only if the vehicle is operated in compliance with criteria in effect September 1, 1989, and established by the predecessor of the Texas Industrial Emergency Services Board of the State Firemen's and Fire Marshals' Association of Texas; ~~or~~

(F) a vehicle of a blood bank or tissue bank, accredited or approved under the laws of this state or the United States, when making emergency deliveries of blood, drugs, medicines, or organs; or

(G) a vehicle used for law enforcement purposes that is owned or leased by a federal governmental entity.

(13-a) "Police vehicle" means a vehicle ~~[of a governmental entity primarily]~~ used by a peace officer, as defined by Article 2.12, Code of Criminal Procedure, for law enforcement purposes that:

(A) is owned or leased by a governmental entity;

(B) is owned or leased by the police department of a private institution of higher education that commissions peace officers under Section 51.212, Education Code; or

(C) is:

(i) a private vehicle owned or leased by the peace officer; and

(ii) approved for use for law enforcement purposes by the head of the law enforcement agency that employs the peace officer, or by that person's designee, provided that

immediately if this Act receives a vote of two-thirds of all the members elected to each house, as provided by Section 39, Article III, Texas Constitution. If this Act does not receive the vote necessary for immediate effect, Subsection (a) of this section takes effect September 1, 2009.

No equivalent provision.

ARTICLE 2. EMERGENCY ELECTRICAL POWER

No equivalent provision.

SECTION __. Subchapter D, Chapter 38, Utilities Code, is amended by adding Section 38.073 to read as follows:
Sec. 38.073. AUTHORITY OF COMMISSION DURING AN EMERGENCY. (a) On a declaration of a natural disaster or other emergency by the governor, the commission may require an electric utility, municipally owned utility, electric cooperative, qualifying facility, power generation company, exempt wholesale generator, or power marketer to sell electricity to an electric utility, municipally owned utility, or electric cooperative that is unable to supply power to meet customer demand due to the natural disaster or other emergency. Any plant, property, equipment, or other items used to receive or deliver electricity under this subsection are used and useful in delivering service to the public, and the commission shall allow timely recovery for the costs of those items. The commission may order an electric utility, municipally owned utility, or electric cooperative

to provide interconnection service to another electric utility, municipally owned utility, or electric cooperative to facilitate a sale of electricity under this section. If the commission does not order the sale of electricity during a declared emergency as described by this subsection, the commission shall promptly submit to the legislature a report describing the reasons why the commission did not make that order.

(b) If an entity receives electricity under Subsection (a), the receiving entity shall reimburse the supplying entity for the actual cost of providing the electricity. The entity receiving the electricity is responsible for any transmission and distribution service charges specifically incurred in relation to providing the electricity.

(c) An entity that pays for electricity received under Subsection (b) and that is regulated by the commission may fully recover the cost of the electricity in a timely manner by:

(1) including the cost in the entity's fuel cost under Section 36.203; or

(2) notwithstanding Section 36.201, imposing a different surcharge.

SECTION __. (a) Not later than November 1, 2009, the Public Utility Commission of Texas shall conduct and complete a study to evaluate:

(1) the locations in this state that are most likely to experience a natural disaster or other emergency;

(2) the ability of each entity described by Subsection (a), Section 38.073, Utilities Code, as added by this Act, to comply with that section in the event of a natural disaster or other emergency;

(3) any steps an entity described by Subsection (a), Section 38.073, Utilities Code, as added by this Act, should take to prepare to comply with that section; and

(4) the potential for distributed generation, including renewable power with battery backup and combined heat and power systems, to strengthen reliability of electric service during a natural disaster or other emergency.

(b) An entity described by Subsection (a), Section 38.073, Utilities Code, as added by this Act, shall comply with any order issued by the Public Utility Commission of Texas under that subsection while the study required by Subsection (a) of this section is conducted.

(c) The Public Utility Commission of Texas shall prepare a report based on the study conducted under Subsection (a) of this section. The report must include any recommendations the commission considers advisable in relation to the implementation of and compliance with Section 38.073, Utilities Code, as added by this Act. The commission may include the report in the report required by Section 31.003, Utilities Code.

No equivalent provision.

SECTION __. Subtitle F, Title 2, Health and Safety Code, is amended by adding Chapter 123 to read as follows:

CHAPTER 123. PUBLIC HEALTH EXTENSION SERVICE PILOT PROGRAM

Sec. 123.001. DEFINITIONS. In this chapter:

(1) "Department" means the Department of State Health Services; and

(2) "Program" means the public health extension service pilot program established under this chapter.

Sec. 123.002. PROGRAM ESTABLISHED; PURPOSES. (a) The department shall establish a public health extension service pilot program in Health Service Region 11, a region of the state that may be particularly vulnerable to biosecurity threats, disaster, and other emergencies.

(b) The purpose of the program is to support local public health and medical infrastructure, promote disease control and medical preparedness, and enhance biosecurity, including detection of dangerous biologic agents, availability of pathology services, and management of hazardous materials.

Sec. 123.003. RULES. The executive commissioner of the Health and Human Services Commission may adopt rules for the implementation and administration of the program.

Sec. 123.004. PROGRAM ADMINISTRATION. The department may contract with The Texas A&M University System or The University of Texas System or

both to implement or administer the program.
Sec. 123.005. PROGRAM OBJECTIVES. Through the program, the department may implement projects and systems to accomplish the purposes of the program described by Section 123.002, and may:
(1) provide support for regional disaster medical assistance teams and tactical medical operations incident management teams;
(2) establish a disaster training and exercise program;
(3) establish and equip caches of necessary medical supplies and equipment for use in disasters and other emergencies;
(4) establish a regionally based system of emergency medical logistics management to support state and federal emergency management authorities, including local patient triage sites and local emergency medical operations; and
(5) establish a regionally based system to provide technical assistance for disaster mitigation and recovery.
Sec. 123.006. REPORT. Not later than December 1, 2010, the department shall report to the governor, lieutenant governor, and speaker of the house of representatives on the program, including recommendations for continuing and expanding the program to other regions of the state.
Sec. 123.007. EXPIRATION. This chapter expires and the program is abolished September 2, 2011.

CONFERENCE

- (b) The account consists of:
- (1) fees deposited in the fund as provided by Sections 771.071, ~~and~~ 771.0711, and 771.082; and
 - (2) notwithstanding Section 404.071, Government Code, all interest attributable to money held in the account.

No equivalent provision.

SECTION __. Chapter 771, Health and Safety Code, is amended by adding Subchapter D-1 to read as follows:

SUBCHAPTER D-1. PREPAID WIRELESS 9-1-1 EMERGENCY SERVICES FEE

Sec. 771.081. DEFINITIONS. In this subchapter:

- (1) "Consumer" means a person who purchases prepaid wireless telecommunications service in a retail transaction.
- (2) "Prepaid wireless 9-1-1 emergency services fee" means the fee a seller collects from a consumer in the amount required under Section 771.082.
- (3) "Prepaid wireless telecommunications service" means a wireless telecommunications service that allows a caller to access 9-1-1 emergency communications services that is paid for in advance at the time of purchase and that is sold:
 - (A) in predetermined units or dollars, the number of which declines with use in a known amount; or
 - (B) on a time period basis.
- (4) "Retail transaction" means an individual purchase of a prepaid wireless telecommunications service from a seller for any purpose other than resale.

House Bill 1831

HOUSE VERSION

SENATE VERSION

CONFERENCE

(5) "Seller" means a person who sells prepaid wireless telecommunications service to any person. The term includes "seller" and "retailer" as defined by Section 151.008, Tax Code.

(6) "Wireless telecommunications service" means commercial mobile radio service as defined by 47 C.F.R. Section 20.3.

Sec. 771.082. PREPAID WIRELESS 9-1-1 EMERGENCY SERVICES FEE. (a) A prepaid wireless 9-1-1 emergency services fee shall be collected by the seller from the consumer at the time of and with respect to each retail transaction of prepaid wireless telecommunications service occurring in this state. The amount of the prepaid wireless 9-1-1 emergency services fee shall be either separately stated on an invoice, receipt, or other similar document that is provided to the consumer by the seller, or otherwise disclosed to the consumer by the seller.

(b) The prepaid wireless 9-1-1 emergency services fee is two percent of the cost of each prepaid wireless telecommunications service purchased, regardless of whether the service was purchased in person, by telephone, through the Internet, or by any other method. Each service purchased is a separate item for purposes of calculating a fee under this subsection.

(c) For purposes of Subsection (a), a retail transaction that is effected in person by a consumer at a business location of the seller shall be treated as occurring in this state if that business location is in this state. Any other

CONFERENCE

retail transaction, including a transaction over the Internet or via telecommunications service, shall be treated as occurring in this state for purposes of Subsection (a) if the transaction would be treated as occurring in this state under Section 151.061, Tax Code.

(d) The prepaid wireless 9-1-1 emergency services fee is the liability of the consumer and not of the seller or of any provider, except that the seller shall be liable to remit all prepaid wireless service fees that the seller collects from consumers as provided by Section 771.084, including all such charges that the seller is deemed to collect where the amount of the charge has not been separately stated on an invoice, receipt, or other similar document provided to the consumer by the seller.

(e) The fee imposed under this subchapter is in addition to the taxes imposed under Chapter 151, Tax Code.

(f) The amount of the prepaid wireless 9-1-1 emergency services fee that is collected by a seller from a consumer, whether or not such amount is separately stated on an invoice, receipt, or other similar document provided to the consumer by the seller, shall not be included in the base for measuring any tax, fee, surcharge, or other charge that is imposed by this state, any political subdivision of this state, or any intergovernmental agency.

(g) A seller may deduct and retain two percent of prepaid wireless 9-1-1 emergency services fees that it collects to offset its costs in administering the collection and remittance of this fee.

CONFERENCE

Sec. 771.083. EXCEPTIONS TO APPLICABILITY OF CHAPTER AND LIMITATIONS OF LIABILITY. (a)

The comptroller shall establish procedures for a seller to document that a sale is not a retail transaction under this subchapter. The procedures shall substantially conform to procedures for documenting a sale for resale under Chapter 151, Tax Code.

(b) A provider or seller of prepaid wireless telecommunications service is not liable for damages to any person resulting from or incurred in connection with the provision of, or the failure to provide, 9-1-1 emergency service, or for identifying or failing to identify the telephone number, address, location, or name associated with any person or device that is accessing or attempting to access 9-1-1 emergency service, unless the act or omission proximately causing the claim, damage, or loss constitutes gross negligence, recklessness, or intentional misconduct.

(c) A provider or seller of prepaid wireless telecommunications service is not liable for damages to any person resulting from or incurred in connection with the provision of any lawful assistance to any investigative or law enforcement officer of the United States, this or any other state, or any political subdivision of this or any other state in connection with any lawful investigation or other law enforcement activity by such investigative or law enforcement officer unless the act or omission proximately causing the claim, damage, or loss constitutes gross negligence, recklessness, or intentional

misconduct.

(d) Information that a provider or seller of prepaid wireless telecommunications service is required to furnish to a governmental entity in providing or selling 9-1-1 emergency service is confidential and exempt from disclosure under Chapter 552, Government Code. A provider or seller of prepaid wireless telecommunications service is not liable to any person who uses a 9-1-1 emergency service created under this chapter for the release of information furnished by the provider or seller of prepaid wireless telecommunications service in providing or selling 9-1-1 emergency service. Information that is confidential under this section may be released only for budgetary calculation purposes and only in aggregate form so that no provider-specific or seller-specific information may be extrapolated.

(e) In addition to the exemption from liability provided by Subsections (b), (c), and (d), each provider and seller of prepaid wireless telecommunications service is entitled to any other exemption from liability under this chapter, if any, that is provided to wireless service providers.

Sec. 771.084. APPLICATION OF PROVISIONS OF TAX CODE. Except as otherwise provided by this subchapter:

(1) the fee imposed by this subchapter is administered, imposed, collected, and enforced in the same manner as a tax under Chapter 151, Tax Code, is administered.

CONFERENCE

imposed, collected, and enforced; and
(2) the provisions applicable to the sales tax imposed under Subchapter C, Chapter 151, Tax Code, apply to the fee imposed by this subchapter.
Sec. 771.085. ALLOCATION OF FEE. (a) After deducting an amount not greater than 10 percent of collected charges, as determined under Subsection (c), the comptroller shall deposit the money from the fees imposed by this subchapter, other than penalties and interest, to the credit of the 9-1-1 services fee account in the general revenue fund. Until deposited to the credit of the 9-1-1 services fee account as required by Subsection (b), money the comptroller collects under this subchapter remains in a trust fund with the state treasury.
(b) Money collected under this subchapter may be used only for services related to 9-1-1 and emergency services, including automatic number identification and automatic location information services. Not later than the 15th day after the last day of the month in which the money is collected, the commission shall distribute to each emergency communication district that does not participate in the state system a portion of the money that bears the same proportion to the total amount collected that the population in the area served by the district bears to the population of the state. The remaining money collected under this subchapter shall be deposited to the 9-1-1 services fee account in the general revenue fund.
(c) The commission shall annually determine by rule the percentage of collected charges, not to exceed 10

CONFERENCE

percent, that under Subsection (a) shall be deducted by the comptroller and allocated as if collected under Section 771.072.

Sec. 771.086. EXCLUSIVITY AND APPLICABILITY OF PREPAID WIRELESS 9-1-1 EMERGENCY SERVICES FEE. (a) The prepaid wireless emergency services fee shall be the only 9-1-1 funding obligation imposed with respect to prepaid wireless telecommunications service in this state, and no tax, fee, surcharge, or other charge shall be imposed by this state, any political subdivision of this state, or any intergovernmental agency, for 9-1-1 funding purposes, or any provider, seller, or consumer with respect to the sale, purchase, use, or provision of prepaid wireless telecommunications service.

(b) The emergency service fee for wireless telecommunications connections under Section 771.0711 applies to wireless telecommunications service that is not subject to the prepaid wireless 9-1-1 emergency services fee under this subchapter.

No equivalent provision.

SECTION 4.03. Subdivision (1-a), Section 161.0001, Health and Safety Code, is amended to read as follows:
(1-a) "First responder" means:
(A) any federal, state, local, or private personnel who may respond to a disaster, including:
(i) public health and public safety personnel;
(ii) commissioned law enforcement personnel;
(iii) fire protection personnel, including volunteer firefighters;
(iv) emergency medical services personnel, including hospital emergency facility staff;
(v) a member of the National Guard;
(vi) a member of the Texas State Guard; or
(vii) any other worker who responds to a disaster in the worker's scope of employment; or
(B) any related personnel that provide support services during the prevention, response, and recovery phases of a disaster [has the meaning assigned by Section 421.095, Government Code].

[and]

(2) a coordinated response for the transaction of essential judicial functions in the event of a disaster; and
(3) any other matter necessary to carry out this chapter or to improve the administration and management of the court system and its auxiliary services.

No equivalent provision.

SECTION 5.03. Section 418.002, Government Code, is amended to read as follows:

Sec. 418.002. PURPOSES. The purposes of this chapter are to:

- (1) reduce vulnerability of people and communities of this state to damage, injury, and loss of life and property resulting from natural or man-made catastrophes, riots, or hostile military or paramilitary action;
- (2) prepare for prompt and efficient rescue, care, and treatment of persons victimized or threatened by disaster;
- (3) provide a setting conducive to the rapid and orderly restoration and rehabilitation of persons and property affected by disasters;
- (4) clarify and strengthen the roles of the governor, state agencies, the judicial branch of state government, and local governments in prevention of, preparation for, response to, and recovery from disasters;
- (5) authorize and provide for cooperation in disaster mitigation, preparedness, response, and recovery;
- (6) authorize and provide for coordination of activities relating to disaster mitigation, preparedness, response,

system that:

(A) is located on the site of a facility;

(B) is the primary source of both electricity and thermal energy for the facility;

(C) can provide all of the electricity needed to power the facility's critical emergency operations for at least 14 days; and

(D) has an overall efficiency of energy use that exceeds 60 percent.

(2) "Critical governmental facility" means a building owned by the state or a political subdivision of the state that is expected to:

(A) be continuously occupied;

(B) maintain operations for at least 6,000 hours each year;

(C) have a peak electricity demand exceeding 500 kilowatts; and

(D) serve a critical public health or public safety function during a natural disaster or other emergency situation that may result in a widespread power outage,

including a:

(i) command and control center;

(ii) shelter;

(iii) prison or jail;

(iv) police or fire station;

(v) communications or data center;

(vi) water or wastewater facility;

(vii) hazardous waste storage facility;

SECTION __.01. Subchapter E, Chapter 13, Water Code, is amended by adding Sections 13.1395 and 13.1396 to read as follows:

Sec. 13.1395. STANDARDS OF EMERGENCY OPERATIONS. (a) In this section:

(1) "Affected utility" means a retail public utility, exempt utility, or provider or conveyor of potable or raw water service that furnishes water service to more than one customer:

(A) in a county with a population of 3.3 million or more;

or

(B) in a county with a population of 400,000 or more adjacent to a county with a population of 3.3 million or more.

(2) "Emergency operations" means the operation of a water system during an extended power outage at a minimum water pressure of 35 pounds per square inch.

(3) "Extended power outage" means a power outage lasting for more than 24 hours.

(b) An affected utility shall:

(1) ensure the emergency operation of its water system during an extended power outage as soon as safe and practicable following the occurrence of a natural disaster; and

(2) adopt and submit to the commission for its approval an emergency preparedness plan that demonstrates the utility's ability to provide emergency operations.

(c) The commission shall review an emergency preparedness plan submitted under Subsection (b). If the

CONFERENCE

commission determines that the plan is not acceptable, the commission shall recommend changes to the plan. The commission must make its recommendations on or before the 90th day after the commission receives the plan. In accordance with commission rules, an emergency preparedness plan shall provide for one of the following:

- (1) the maintenance of automatically starting auxiliary generators;
 - (2) the sharing of auxiliary generator capacity with one or more affected utilities;
 - (3) the negotiation of leasing and contracting agreements, including emergency mutual aid agreements with other retail public utilities, exempt utilities, or providers or conveyors of potable or raw water service, if the agreements provide for coordination with the division of emergency management in the governor's office;
 - (4) the use of portable generators capable of serving multiple facilities equipped with quick-connect systems;
 - (5) the use of on-site electrical generation or distributed generation facilities;
 - (6) hardening the electric transmission and distribution system serving the water system;
 - (7) for existing facilities, the maintenance of direct engine or right angle drives; or
 - (8) any other alternative determined by the commission to be acceptable.
- (d) Each affected utility that supplies, provides, or conveys surface water shall include in its emergency

preparedness plan under Subsection (b) provisions for the actual installation and maintenance of automatically starting auxiliary generators or distributive generation facilities for each raw water intake pump station, water treatment plant, pump station, and pressure facility necessary to provide water to its wholesale customers.

(e) The commission shall adopt rules to implement this section as an alternative to any rule requiring elevated storage.

(f) The commission shall provide an affected utility with access to the commission's financial, managerial, and technical contractors to assist the utility in complying with the applicable emergency preparedness plan submission deadline.

(g) The commission by rule shall create an emergency preparedness plan template for use by an affected utility when submitting a plan under this section. The emergency preparedness plan template shall contain:

(1) a list and explanation of the preparations an affected utility may make under Subsection (c) for the commission to approve the utility's emergency preparedness plan; and

(2) a list of all commission rules and standards pertaining to emergency preparedness plans.

(h) An emergency generator used as part of an approved emergency preparedness plan under Subsection (c) must be operated and maintained according to the manufacturer's specifications.

(i) The commission shall inspect each utility to ensure

CONFERENCE

that the utility complies with the approved plan.

(j) The commission may grant a waiver of the requirements of this section to an affected utility if the commission determines that compliance with this section will cause a significant financial burden on customers of the affected utility.

(k) An affected utility may adopt and enforce limitations on water use while the utility is providing emergency operations.

(l) Except as specifically required by this section, information provided by an affected utility under this section is confidential and is not subject to disclosure under Chapter 552, Government Code.

Sec. 13.1396. COORDINATION OF EMERGENCY OPERATIONS. (a) In this section:

(1) "Affected utility" has the meaning assigned by Section 13.1395.

(2) "County judge" means a county judge or the person designated by a county judge.

(3) "Electric utility" means the electric transmission and distribution utility providing electric service to the water and wastewater facilities of an affected utility.

(4) "Retail electric provider" has the meaning assigned by Section 31.002, Utilities Code.

(b) An affected utility shall submit to the county judge, the office of emergency management of each county in which the utility has more than one customer, the Public Utility Commission of Texas, and the office of emergency management of the governor, a copy of:

(1) the affected utility's emergency preparedness plan approved under Section 13.1395; and
(2) the commission's notification to the affected utility that the plan is accepted.
(c) Each affected utility shall submit to the county judge and the office of emergency management of each county in which the utility has water and wastewater facilities that qualify for critical load status under rules adopted by the Public Utility Commission of Texas, and to the Public Utility Commission of Texas and the division of emergency management of the governor:
(1) information identifying the location and providing a general description of all water and wastewater facilities that qualify for critical load status; and
(2) emergency contact information for the affected utility, including:
(A) the person who will serve as a point of contact and the person's telephone number;
(B) the person who will serve as an alternative point of contact and the person's telephone number; and
(C) the affected utility's mailing address.
(d) An affected utility shall immediately update the information provided under Subsection (c) as changes to the information occur.
(e) Not later than February 1 of each year, the county judge of each county that receives the information required by Subsections (c) and (d) shall:
(1) submit the information for each affected utility to each retail electric provider that sells electric power to an
