Sec. 450.052. GENERAL POWERS AND DUTIES OF

PARTNERSHIP. (a) The partnership shall promote the well-being of this state's children by providing children with opportunities to spend more time outdoors and to learn about the environment through experiential activities outdoors and formal and informal education concerning the environment. To accomplish those purposes, the partnership shall:

(1) develop and assist in the implementation of a plan to provide children with structured and unstructured opportunities for outdoor recreation, scientific study, and learning that includes:

(A) development and implementation of strategies to provide increased support for programs under which school grounds are converted into natural habitats for play and outdoor classrooms;

(B) establishment of trail systems that connect communities, parks, and schools to encourage walking, biking, and increased time outdoors by children and their families;

(C) establishment of nature play areas in communities to offer outdoor experiences close to children's homes;

(D) establishment, in partnership with the Department of Family and Protective Services, the advisory council on juvenile services, and appropriate community nonprofit organizations, of a statewide civic justice corps to provide students at risk of dropping out of school with opportunities to serve on conservation crews in state parks and on other public land;
