

Amend Floor Amendment No. 97 by Gallego (page 307, prefilled amendments packet) as follows:

(1) In the recital to Section _____.01 of the added article (page 1, line 8) strike "Section 2054.1266" and substitute "Sections 2054.1266 and 2054.1267".

(2) At the end of Section _____.01 of the added article, immediately following added Section 2054.1266, Government Code, add the following:

Sec. 2054.1267. POSTING HIGH-VALUE DATA SETS ON INTERNET.

(a) In this section:

(1) "High-value data set" means information that can be used to increase state agency accountability and responsiveness, improve public knowledge of the agency and its operations, further the core mission of the agency, create economic opportunity, or respond to need and demand as identified through public consultation. The term does not include information that is confidential or protected from disclosure under state or federal law.

(2) "State agency" means a board, commission, office, department, or other agency in the executive, judicial, or legislative branch of state government. The term includes an institution of higher education as defined by Section 61.003, Education Code.

(b) Each state agency shall post on a generally accessible Internet website maintained by or for the agency each high-value data set created or maintained by the agency, if the agency:

(1) determines that, using existing resources, the agency can post the data set on the Internet website at no additional cost to the state;

(2) enters into a contract advantageous to the state under which the contractor posts the data set on the Internet website at no additional cost to the state; or

(3) receives a gift or grant specifically for the purpose of posting one or more of the agency's high-value data sets on the Internet website.

(c) A high-value data set posted by a state agency under this section must be raw data in open standard format that allows

the public to search, extract, organize, and analyze the information.

(d) The web page on which a state agency's high-value data set is posted must:

(1) use the agency's Internet website home page address and include the uniform resource locator suffix "data"; and

(2) have a conspicuously displayed link on either the agency's Internet website home page or another intuitive location accessible from the agency's Internet website home page.

(e) A state agency may accept a gift or grant for the purpose of posting one or more of the agency's high-value data sets on an Internet website.

SECTION ____ .02. Chapter 322, Government Code, is amended by adding Section 322.0081 to read as follows:

Sec. 322.0081. BUDGET DOCUMENTS ONLINE. (a) The board shall post on the board's Internet website documents prepared by the board that are provided to a committee, subcommittee, or conference committee of either house of the legislature in connection with an appropriations bill.

(b) The board shall post a document to which this section applies as soon as practicable after the document is provided to a committee, subcommittee, or conference committee.

(c) The document must be downloadable and provide data in a format that allows the public to search, extract, organize, and analyze the information in the document.

(d) The requirement under Subsection (a) does not supersede any exceptions provided under Chapter 552.

(e) The board shall promulgate rules to implement the provisions of this section.
