

Amend Amendment No. 303 by Madden to **CSHB 1** (page 271 of the prefiled amendment packet), by striking the language on lines 2 through 4 and substituting the following:

Contingent on the passage of **HB 3386** or similar legislation enacted by the 82nd legislature, allocate:

(1) additional funds received as a result of imposing an annual inmate fee to the cost of correctional health care Strategy C.1.8; and

(2) 50 percent of any adult correctional savings in the 2012-2013 biennium achieved through provisions other than a provision imposing an annual inmate fee in equal proportion to Article V, Strategies A.1.2, A.1.3, and A.1.4.
