

Amend Amendment No. 26 to **CSHB 4** by Castro (page 33, prefiled amendments packet) as follows:

(1) On line 5 between "SECTION ____." and "Unexpended" insert "(a)".

(2) Following line 18 add:

(b) Unexpended balances in General Revenue Funds appropriated for the Office of the Governor, the Office of the Attorney General, and the State Preservation Board as of August 31, 2011, in the amounts estimated by the General Appropriations Act for the 2012-2013 biennium, are appropriated to the University of Texas Health Science Center at San Antonio. The Office of the Governor, the Office of the Attorney General, and the State Preservation Board may not encumber their respective unexpended balances on or after March 1, 2011, and an encumbrance made after that date is void. The amount of general revenue made available by this section must not exceed the amount of the reduction in appropriations made to the University of Texas Health Science Center at San Antonio by this Act and must be used to prevent a reduction in appropriations.

(c) Unexpended balances in General Revenue Funds appropriated for the Office of the Attorney General, as of August 31, 2011, in the amounts estimated by the General Appropriations Act for the 2012-2013 biennium, are appropriated to Alamo Community College. The Office of the Attorney General may not encumber its unexpended balances on or after March 1, 2011, and an encumbrance made after that date is void. The amount of general revenue made available by this section must not exceed the amount of the reduction in appropriations made to Alamo Community College by this Act and must be used to prevent a reduction in appropriations.
