

Amend CSHB 51 as follows:

In SECTION 1 of the bill, strike Subsections (c) and (d) of added Section 55.115, Education Code and substitute the following:

(c) Except as provided by this section, a building, structure, or other facility to which this section applies must be designed and constructed or renovated to comply with the applicable energy and water conservation design standards established by the state energy conservation office under Section 447.004, Government Code, unless the institution constructing the building determines that compliance with those standards is impractical and notifies the state energy conservation office of the determination and provides to the office documentation supporting the determination.
