

Amend **SB 635** on third reading by striking:

(1) the section of the bill, as added by Floor Amendment No. 2 by Larson on second reading, that amends Subchapter C, Chapter 361, Health and Safety Code, by adding Section 361.0865; and

(2) the section of the bill, as added by Floor Amendment No. 2 by Larson on second reading, that reads:

The changes in law made by Section 361.0865, Health and Safety Code, as added by this Act, apply only to an application for the issuance, amendment, extension, or renewal of a permit that is received by the Texas Commission on Environmental Quality on or after the effective date of this Act. An application that is received before that date is governed by the law in effect at the time the application is received, and the former law is continued in effect for that purpose.
