

Amend CSSB 1420 (house committee printing) by adding the following appropriately numbered SECTIONS to the bill and renumbering subsequent SECTIONS of the bill accordingly:

SECTION _____. (a) Section 201.607, Transportation Code, is amended by amending Subsection (a) and adding Subsection (c) to read as follows:

(a) Not later than January 1, 1997, and every fifth year after that date, the department and each state agency that is responsible for the protection of the natural environment or for the preservation of historical or archeological resources shall examine and revise their memorandum of understanding that:

(1) describes the responsibilities of each agency entering into the memorandum relating to the review of the potential environmental, historical, or archeological effect of a highway project;

(2) specifies the responsibilities of each agency entering into the memorandum relating to the review of a highway project;

(3) specifies the types of information the department must provide to the reviewing agency and the period during which the department must provide the information;

(4) specifies the period during which the reviewing agency must review the highway project and provide comments to the department, as negotiated by the department and the agency but which may not exceed 45 days after the date the agency receives a request for comments from the department; ~~and~~

(5) specifies that comments submitted to the department later than the period specified under Subdivision (4) will be considered by the department to the extent possible; and

(6) includes any other agreement necessary for the effective coordination of the review of the environmental, historical, or archeological effect of a highway project.

(c) The department by rule shall establish procedures concerning coordination with agencies in carrying out responsibilities under agreements under this section.

(b) Section 201.607(a), Transportation Code, as amended by this section, applies only to a request for comments from the Texas

Department of Transportation received by a state agency on or after the effective date of this Act. As necessary, the Texas Department of Transportation and each affected state agency shall promptly revise the memorandum of understanding required by Section 201.607, Transportation Code, to implement the change made by this section to Section 201.607(a), Transportation Code.

SECTION _____. (a) Chapter 201, Transportation Code, is amended by adding Subchapter I-1 to read as follows:

SUBCHAPTER I-1. ENVIRONMENTAL REVIEW PROCESS

Sec. 201.751. DEFINITIONS. In this subchapter:

(1) "Day" means a calendar day.

(2) "Federal Highway Administration" means the United States Department of Transportation Federal Highway Administration.

(3) "Highway project" means a highway or related improvement that is:

(A) part of the state highway system; or

(B) not part of the state highway system but funded wholly or partly by federal money.

(4) "Local government sponsor" means a political subdivision of the state that:

(A) elects to participate in the planning, development, design, funding, or financing of a highway project; and

(B) is a municipality or a county, a group of adjoining counties, a county acting under Chapter 284, a regional tollway authority operating under Chapter 366, a regional mobility authority operating under Chapter 370, a local government corporation, or a transportation corporation created under Chapter 431.

Sec. 201.752. STANDARDS. (a) The commission by rule shall establish standards for processing an environmental review document for a highway project. The standards must increase efficiency, minimize delays, and encourage collaboration and cooperation by the department with a local government sponsor, with a goal of prompt approval of legally sufficient documents.

(b) The standards apply regardless of whether the

environmental review document is prepared by the department or a local government sponsor. The standards apply to work performed by the sponsor and to the department's review process and environmental decision.

(c) The standards must address, for each type of environmental review document:

(1) the issues and subject matter to be included in the project scope prepared under Section 201.754;

(2) the required content of a draft environmental review document;

(3) the process to be followed in considering each type of environmental review document; and

(4) review deadlines, including the deadlines in Section 201.759.

(d) The standards must include a process for resolving disputes arising under this subchapter, provided that the dispute resolution process must be concluded not later than the 60th day after the date either party requests dispute resolution.

(e) The standards may include a process and criteria for the prioritization of environmental review documents if the department makes a finding that it lacks adequate resources to timely process all documents it receives for projects described in Section 201.753(a). The process established under this subsection must provide for notification to the local government sponsor if an environmental review document is to be delayed due to prioritization, and must provide that the delayed review will be completed not later than one year before the date that the local government sponsor plans to publish notice to let the construction contract for the project, as indicated in a document identifying the project under Section 201.753(a)(1) or a commission order under Section 201.753(a)(2).

Sec. 201.753. ENVIRONMENTAL REVIEW LIMITED TO CERTAIN PROJECTS. (a) A local government sponsor or the department may prepare an environmental review document for a highway project only if the highway project is:

(1) identified in the financially constrained portion of the approved state transportation improvement program or the

financially constrained portion of the approved unified transportation program; or

(2) identified by the commission as being eligible for participation under this subchapter.

(b) Notwithstanding Subsection (a), a local government sponsor may prepare an environmental review document for a highway project that is not identified by the commission or in a program described by Subsection (a) if the sponsor submits with its notice under Section 201.755 a fee in an amount established by commission rule, but not to exceed the actual cost of reviewing the environmental review document.

(c) A fee received by the department under Subsection (b) must be deposited in the state highway fund and used to pay costs incurred under this subchapter.

Sec. 201.754. SCOPE OF PROJECT. If an environmental review document is prepared by a local government sponsor, the local government sponsor must prepare a detailed scope of the project in collaboration with the department before the department may process the environmental review document.

Sec. 201.755. NOTICE TO DEPARTMENT. (a) A local government sponsor may submit notice to the department proposing that the local government sponsor prepare the environmental review document for a highway project.

(b) The notice must include:

(1) the project scope prepared under Section 201.754;
and

(2) a request for classification of the project.

Sec. 201.756. LOCAL GOVERNMENT SPONSOR RESPONSIBILITIES. A local government sponsor that submits notice under Section 201.755 is responsible for preparing all materials for:

(1) project scope determination;

(2) environmental reports;

(3) the environmental review document;

(4) environmental permits and conditions;

(5) coordination with resource agencies; and

(6) public participation.

Sec. 201.757. DETERMINATION OF ADMINISTRATIVELY COMPLETE

ENVIRONMENTAL REVIEW DOCUMENT. (a) A local government sponsor's submission of an environmental review document must include a statement from the local government sponsor that the document is administratively complete, ready for technical review, and compliant with all applicable requirements.

(b) Not later than the 20th day after the date the department receives a local government sponsor's environmental review document, the department shall either:

(1) issue a letter confirming that the document is administratively complete and ready for technical review; or

(2) decline to issue a letter confirming that the document is administratively complete and ready for technical review, in accordance with Section 201.758.

Sec. 201.758. DEPARTMENT DECLINES TO CONFIRM THAT DOCUMENT IS ADMINISTRATIVELY COMPLETE. (a) The department may decline to issue a letter confirming that an environmental review document is administratively complete and ready for technical review only if the department sends a written response to the local government sponsor specifying in reasonable detail the basis for its conclusions, including a listing of any required information determined by the department to be missing from the document.

(b) If the department provides notice under Subsection (a), the department shall undertake all reasonable efforts to cooperate with the local government sponsor in a timely manner to ensure that the environmental review document is administratively complete.

(c) The local government sponsor may resubmit any environmental review document determined by the department under Section 201.757 not to be administratively complete, and the department shall issue a determination letter on the resubmitted document not later than the 20th day after the date the document is resubmitted.

Sec. 201.759. REVIEW DEADLINES. (a) The following deadlines must be included in the standards adopted under Section 201.752:

(1) the department shall issue a classification letter not later than the 30th day after the date the department receives notice from a local government sponsor under Section 201.755;

(2) for a project classified as a programmatic categorical exclusion, the environmental decision must be rendered not later than the 60th day after the date the supporting documentation is received by the department;

(3) for a project classified as a categorical exclusion, the environmental decision must be rendered not later than the 90th day after the date the supporting documentation is received by the department;

(4) for a project that requires the preparation of an environmental assessment:

(A) the department must provide all department comments on a draft environmental assessment not later than the 90th day after the date the draft is received by the department; and

(B) the department must render the environmental decision on the project not later than the 60th day after the later of:

(i) the date the revised environmental assessment is submitted to the department; or

(ii) the date the public involvement process concludes;

(5) the department must render the environmental decision on any reevaluation not later than the 120th day after the date the supporting documentation is received by the department; and

(6) for a project that requires the preparation of an environmental impact statement, the department shall render the environmental decision not later than the 120th day after the date the draft final environmental impact statement is submitted.

(b) Review deadlines under this section specify the date by which the department will render the environmental decision on a project or the time frames by which the department will make a recommendation to the Federal Highway Administration, as applicable.

(c) A deadline that falls on a weekend or official state holiday is considered to occur on the next business day.

Sec. 201.760. SUSPENSION OF TIME PERIODS. The computation of review deadlines under Section 201.759 does not begin until an

environmental review document is determined to be administratively complete, and is suspended during any period in which:

(1) the document that is the subject of the review is being revised by or on behalf of the local government sponsor in response to department comments;

(2) the highway project is the subject of additional work, including a change in design of the project, and during the identification and resolution of new significant issues; or

(3) the local government sponsor is preparing a response to any issue raised by legal counsel for the department concerning compliance with applicable law.

Sec. 201.761. AGREEMENT BETWEEN LOCAL GOVERNMENT SPONSOR AND DEPARTMENT. Notwithstanding any provision of this subchapter or any other law, a local government sponsor and the department may enter into an agreement that defines the relative roles and responsibilities of the parties in the preparation and review of environmental review documents for a specific project. For a project for which an environmental decision requires the approval of the Federal Highway Administration and to the extent otherwise permitted by law, the Federal Highway Administration may also be a party to an agreement between a local government sponsor and the department under this section.

Sec. 201.762. REPORTS TO COMMISSION AND LEGISLATURE. (a) Not later than June 30 and December 31 of each year, the department shall submit a report to the commission at a regularly scheduled commission meeting identifying projects being processed under the procedures of this subchapter and the status of each project, including:

(1) how the project was classified for environmental review;

(2) the current status of the environmental review;

(3) the date on which the department is required to make an environmental decision under applicable deadlines;

(4) an explanation of any delays; and

(5) any deadline under Section 201.759 missed by the department.

(b) Not later than December 1 of each year, the department

shall submit a report to the members of the standing legislative committees with primary jurisdiction over matters related to transportation regarding the implementation of this subchapter, including a status report for the preceding 12-month period that contains the information described in Subsection (a).

(c) The department shall post copies of the reports required under this section on its Internet website and shall provide a copy of the report required by Subsection (b) to each member of the legislature who has at least one project covered by the report in the member's district.

(d) The department shall make available on its Internet website and update regularly the status of projects being processed under this subchapter.

(b) The Texas Transportation Commission shall adopt rules to implement Subchapter I-1, Chapter 201, Transportation Code, as added by this section, not later than March 1, 2012.

(c) Subchapter I-1, Chapter 201, Transportation Code, as added by this section, applies only to a notice of a local government sponsor proposing the sponsor's preparation of an environmental review document that is received by the Texas Department of Transportation on or after the effective date of this Act. Submissions to the Texas Department of Transportation received before the effective date of this Act are governed by the law in effect on the date the submission was received, and that law is continued in effect for that purpose.

SECTION _____. Subchapter A, Chapter 222, Transportation Code, is amended by adding Sections 222.005 and 222.006 to read as follows:

Sec. 222.005. AUTHORIZATION TO PROVIDE ASSISTANCE TO EXPEDITE ENVIRONMENTAL REVIEW. (a) The department, a county, a regional tollway authority operating under Chapter 366, or a regional mobility authority operating under Chapter 370 may enter into an agreement to provide funds to a state or federal agency to expedite the agency's performance of its duties related to the environmental review process for the applicable entity's transportation projects, including those listed in the applicable metropolitan planning organization's long-range transportation

plan under 23 U.S.C. Section 134.

(b) Except as provided by Subsection (c), an agreement entered into under this section:

(1) may specify transportation projects the applicable entity considers to be priorities for review; and

(2) must require the agency receiving money to complete the environmental review in less time than is customary for the completion of environmental review by that agency.

(c) The department may enter into a separate agreement for a transportation project that the department determines has regional importance.

(d) An agreement entered into under this section does not diminish or modify the rights of the public regarding review and comment on transportation projects.

(e) An entity entering into an agreement under this section shall make the agreement available on the entity's Internet website.

Sec. 222.006. ENVIRONMENTAL REVIEW CERTIFICATION PROCESS.

The department by rule shall establish a process to certify department district environmental specialists to work on all documents related to state and federal environmental review processes. The certification process must:

(1) be available to department employees; and

(2) require continuing education for recertification.

SECTION _____. (a) Section 12.0011, Parks and Wildlife Code, is amended by adding Subsection (b-1) to read as follows:

(b-1) Recommendations and information submitted by the department under Subsection (b) in response to a request for comments from the Texas Department of Transportation must be submitted not later than the 45th day after the date the department receives the request.

(b) Section 12.0011(b-1), Parks and Wildlife Code, as added by this section, applies only to a request for comments from the Texas Department of Transportation received on or after the effective date of this Act.
