AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

In the early 1980s, the Texas Legislature created the Trinity Memorial Hospital District. The board of directors is now comprised of nine directors. Currently, four board members are required to be present to constitute a quorum and a concurrence of four members is required to conduct business.

H.B. 460 increases the number of directors required to constitute a quorum from four to five and makes a concurrence of five members sufficient for the board to conduct business.

H.B. 460 amends current law relating to the board of directors of the Trinity Memorial Hospital District.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
