### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

The purpose of S.B. 233 is to create a municipal management district (MMD) that will promote, develop, encourage, and maintain employment, commerce, transportation, housing, tourism, recreation, arts, economic development, safety, and public welfare within a defined area in the City of Rowlett, Texas. MMDs facilitate economic development and reduce a city's financial risk. MMDs have the ability to levy taxes, assessments, or impact fees; enter into agreements to implement project plans; contract with overlapping tax increment reinvestment zones; and monetize cash flow by issuing debt.

Only district property owners pay taxes, assessments, and fees to fund capital improvements and maintenance within the district. S.B. 233 creates a district that can provide a wide range of services and improvements related to economic development; unemployment reduction; business recruitment; promotion of health and sanitation; public safety, traffic control, and recreation; landscaping, lighting, and signs; streets, walkways, and drainage; solid waste, water, sewer, and power facilities; parks, historic areas, and works of art; and parking facilities and transit systems.

S.B. 233 amends current law relating to the creation of the Rowlett Pecan Grove Management District, and provides authority to impose a tax, levy an assessment, and issue bonds.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
