### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Currently, Section 101.45 of the Alcoholic Beverage Code states that no person may sell wine to a retail dealer in containers with a capacity greater than 4.9 gallons.

S.B. 351 would amend the statute and increase the limit to eight gallons. This would allow certain businesses in Texas to provide vinous liquor by the keg to restaurants and other vendors.

S.B. 351 amends current law relating to the maximum capacity of a container of wine sold to a retail dealer.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
