AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

In 2008, it was determined that the name North Harris Montgomery Community College District was no longer appropriate since the community college had added parts of San Jacinto County, Walker County, and Liberty County to its service area.

Since state law requires the name of a community college to have some local geographic or historic relevance, the name Lone Star College System District was selected because Montgomery County has been designated by the Texas Legislature as the birth place of the Lone Star Flag.

The community is in support of the name change and the name was chosen in a public online forum.

S.B. 386 amends current law relating to the Lone Star College System District service area.

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
