### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

S.B. 461 amends Section 504.307 (Airborne Parachutists), Transportation Code, by changing the wording of the Airborne Parachutists specialty license plate. This bill keeps all the requirements needed for someone to be issued the plates and the picture of the Airborne Badge, but changes the words from "Airborne Parachutist" to "U.S. Paratroopers." The license plates were intended to honor those who participated in a combat jump while serving in the United States military and by changing the wording they can be better honored for their service.

S.B. 461 amends current law relating to the design and issuance of license plates for United States paratroopers.

### **RULEMAKING AUTHORITY**

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
