

## **BILL ANALYSIS**

S.B. 533  
By: Davis  
Judiciary & Civil Jurisprudence  
Committee Report (Unamended)

### **BACKGROUND AND PURPOSE**

Under current law, Sections 420.011(b) and (c), Government Code, the attorney general has the authority to adopt rules establishing minimum standards for the certification of a sexual assault advocate training program and for a Sexual Assault Nurse Examiner (SANE).

This statute also provides that certification for both entities is valid for two years, but does not explicitly authorize the attorney general to adopt rules establishing minimum standards for certification renewal upon expiration of the two-year period.

S.B. 533 authorizes the attorney general to establish a statutorily supported certification renewal process by administrative rule.

As proposed, S.B. 533 amends current law relating to the minimum standards for the certifications of sexual assault training programs and sexual assault nurse examiners and for certification renewal by those entities.

### **RULEMAKING AUTHORITY**

Rulemaking authority previously granted to the attorney general is modified in SECTION 2 (Section 420.011, Government Code) of this bill.
