AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Under current law there is some confusion about what the definition of "venue" found in Section 334.001 (Definitions), Local Government Code, encompasses. S.B. 803 amends the statute to clarify that, in Aransas County, the definition of "venue" encompasses tourism development projects such as a park, aquarium, birding center, bird viewing site, history center, art center, nature center, nature trail, museum, or water-related project that creates or enhances an activity involving water sports or fishing.

S.B. 803 amends current law relating to venue projects in certain counties.

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.
