Corrections  
Committee Report (Unamended)

### **BACKGROUND AND PURPOSE**

Interested parties believe that the scope of administrative and supervisory service a community supervision and corrections department (CSCD) may provide to the courts it serves needs to be clarified. Certain persons also believe that the fee that may be charged with the current monthly supervisory fee for a person on deferred adjudication and a person on regular probation should be equalized.

S.B. 880 clarifies the scope of administrative and supervisory service a community supervision and corrections department (CSCD) may provide to the courts it serves and equalizes the fee that may be charged with the current monthly supervisory fee for person on deferred adjudication and regular probation.

### **RULEMAKING AUTHORITY**

It is the committee's opinion that this bill does not expressly grant any additional rulemaking authority to a state officer, department, agency, or institution.
