Committee Report (Substituted)

AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

C.S.S.B. 1068 allows the Texas Facilities Commission (TFC) to lease unused, unneeded, state-owned parking lot spaces and parking garage spaces to individuals, institutions of higher education, and businesses.

Private individuals would be allowed to rent out unused individual spaces, while institutions of higher education, private businesses, and government entities would be allowed to rent out significant blocks of unused parking lot spaces and parking garage spaces.

Every other year, TFC would submit a report regarding the effectiveness of the program to the Legislative Budget Board. The money received from leasing out parking facilities is to be deposited to the credit of the general revenue fund.

C.S.S.B. 1068 amends current law relating to the lease of certain state parking facilities to other persons.
