AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

During the 2005 legislative session, the Board of Barber Examiners and the Texas Cosmetology Commission were dissolved and their duties were assigned to the Texas Department of Licensing and Regulation (TDLR). Since that time few updates have been made to modernize the statutes.

Chapters 1601 (Barbers), 1602 (Cosmetologists), and 1603 (Regulation of Barbering and Cosmetology), Occupations Code, pertain to barbers and cosmetologists. S.B. 1170 harmonizes barbering and cosmetology statutes by allowing both barbering and cosmetology to be taught in public schools. It alters the school size requirements to allow for more schools in rural areas. In response to request from licensees, it replaces the term "facialists" with the more nationally recognized term "esthetician." S.B. 1170 also creates crossover provisions where licensed cosmetologists, after training and examination, could become licensed barbers (and be able to shave) and where barbers, after training and examination, could become cosmetologists. S.B. 1170 also requires TDLR to conduct a study that analyzes the performance of barbers schools and beauty culture schools, including the payment of refunds and recommendations for improvements to the process for the payment of refunds to eligible students.

S.B. 1170 amends current law relating to the regulation of barbers and cosmetologists.
